# Training Opportunities

## Trainings/Events:

### Municipal Infrastructure Roundtable Discussions

Are you interested in learning more about funding and financing municipal infrastructure in your town or village? Learn about funding opportunities for safe and clean water management, renewable energy, and other community investments from state and federal agency representatives. Lunch will be provided, for in-person attendance, which is encouraged, but sessions will be livestreamed for hybrid viewing.

**March 29<sup>th</sup> 10 AM-12:30 PM** located at Syracuse Center of Excellence, 727 E. Washington Street, Syracuse, NY 13210.

**To Register:** <https://efcnetwork.org/event/ny-funding-roundtable-state-and-federal-funding-financing-and-resources-for-municipal-infrastructure-roundtable-discussions/>

### Reducing Liability for Highway and DPW Workshop

Cornell Local Roads Program (CLRP) is holding an in-person workshop on Reducing Liability for Highway and Public Works Department on **Tuesday, April 4** from 8:30 AM. to 3:30 PM. The workshop will be held at Oswego County Cooperative Extension – Amboy Education Center located at 748 State Route 183, Williamstown, NY.

This a completely new course with topics including:

- Explaining the general nature of highway liability and the nature of municipal duties.
- Determining how courts evaluate a municipality's liability for the maintenance and design of local roads and streets.
- A listing of the special defenses applicable to claims when agencies have good plans and procedures to repair defects.
- Discussing how liability arising from motor vehicle accidents involving municipal vehicles is evaluated.
- Discussing the contrast between insurance and indemnity.
- Setting up department records to reduce risk and provide support when claims are made.

To register for the workshop: <https://nysltapclrp.regfox.com/spring-workshop-season>

If you are unable to attend the Oswego County event, May 2<sup>nd</sup> there will be a similar event offered in St. Lawrence County.

### RACOG Economic Visioning Summit

The summit will take place on April 27, 2023 at the Howard G. Sackett Technical Center in Glenfield, NY. The event will run from 9:00 AM to 12:00 PM, followed by lunch from the culinary class. This event is being put on by the River Area Council of Governments. The summit is focused on opportunities for collaboration between all industry sectors to help promote and improve the region.

Event is free, but pre-registration is required at <https://tinyurl.com/racogsummit2023> or by contacting Mickey Dietrich by phone (315) 681-5023 or by email [mickey@tughill.org](mailto:mickey@tughill.org)

### [NYWEA Wastewater Panel for Local Officials April 23](#)

The NY Water Environmental Association (NYWEA), together with the Environmental Finance Center at Syracuse University, is holding a panel on wastewater for local and elected officials on Wednesday, April 29 from 4:00 p.m. to 7:00 p.m. in Philadelphia, NY. The event is free of charge but limited to 25 people, and is geared toward village mayors, town Supervisors, administrators, clerks, treasurers, and sewer and/or board members who want to learn more about effective wastewater management and wastewater treatment plant funding opportunities.

For registration or additional information, contact Patricia Cerro-Reehil at [pcr@nywea.org](mailto:pcr@nywea.org) or visit the NYWEA website at <https://www.nywea.org/>

### [2023 Highway School](#)

Registration is now open for the Association of Towns of the State of New York and the NYS LTAP Center - Cornell Local Roads Program's annual highway school. The early registration fee, on or before May 19, is \$125. After May 19 attendees must register on-site at a fee rate of \$165. This year's topics include road drainage; drug testing; purchasing; legal panel; alternative vehicles; managing employees; pavement preservation; and funding opportunities. The event will take place at Ithaca College on **June 5-7<sup>th</sup>**.

Stay up to date with current information about the Highway School on the web at: [Association of Towns](#) or the NYS LTAP Center - [Cornell Local Roads Program](#).

## Be Active and Involved

**Please consider completing and sharing the following opportunities as your see fit:**

### Free Seedlings Available to Qualified Landowners for Streamside Plantings under DEC Buffer in a Bag Program

NYSDEC recently announced that the application period for the "Trees for Tribs" "Buffer in a Bag" Program is now open. Qualifying private and public landowners may apply for a free bag of 25 tree and shrub seedlings for planting near streams, rivers, or lakes to help stabilize banks, protect water quality, and improve wildlife habitat.

To qualify, landowners must have property in New York State with at least 50 feet bordering a stream, river, or lake, and provide photos or a map of the planting location. Previous recipients are encouraged to reapply to continue to build riparian buffers. Applicants are eligible for one bag of 25 seedlings and recipients are chosen on a first-come, first-served basis. A total of 350 bags will be available statewide for this round of applications.

Applications are due **by 3 PM on April 11, 2023**. Contact [treesfortribs@dec.ny.gov](mailto:treesfortribs@dec.ny.gov) with questions and visit [DEC's Trees for Tribs webpage](#) to learn more.

## [Become a National Trails Day Event Host](#)

There's something magical about being outdoors. Fresh air, birds singing, moving along a trail or even just around the block – there's nothing quite like it. But today, those trails and public spaces are in dire need of help – and not everyone has access to these places that can calm and inspire. National Trails Day® is the perfect opportunity to get out there with the people you love, give back to the trails that bring us together, and make sure no one is left out.

Connect with the people near you who share your love of being outside. Build your local community and join the nationwide movement to give back to the trails and make sure everyone can enjoy the outdoors.

Taking place on the first Saturday in June, National Trails Day® is a day of public events aimed at advocacy and trail service. Tens of thousands of hikers, bikers, paddlers, horseback riders, trail clubs, federal and local agencies, land trusts, and businesses come together in partnership to advocate for, maintain, and clean up public lands and trails.

For information on hosting an event visit: <https://americanhiking.org/national-trails-day/host-information/>

## [EPA Seeking Public Input on the Clean Heavy-Duty Vehicle Program](#)

The Inflation Reduction Act provides \$1 billion to replace heavy-duty vehicles with zero-emission vehicles, support zero-emission vehicle infrastructure, and train and develop workers. EPA will distribute this \$1 billion to eligible applicants via grants, rebates, and/or contracts to purchase clean, heavy-duty vehicles, with \$400 million allocated to communities in nonattainment areas.

**Submit your feedback to [cleanhdvehicles@epa.gov](mailto:cleanhdvehicles@epa.gov)**

## [Clean Watershed Needs Survey](#)

Does your community have water quality infrastructure that is outdated or in need of repair? The Environmental Facilities Corporation needs your help to ensure we can fund as many water quality infrastructure projects as possible in upcoming years. We need local governments and other eligible recipients to participate in the Clean Watersheds Needs Survey (CWNS). Your participation is critical to ensure New York State continues to receive a high level of funding for water quality infrastructure projects.

You can help by submitting your community's needs and cost documentation to EFC. Together with other communities, your participation will help show the need for water quality infrastructure funding to federal lawmakers who decide how much money our state will receive.

Visit the following link to provide the requested documentation for your municipal water infrastructure needs:

<https://efc.ny.gov/documents-and-resources-clean-watersheds-needs-survey>

# Non-Grant Opportunities

## FCC's Interactive Broadband Availability Map-NEW!!

Have you checked out the FCC's Interactive Broadband Availability Map?! You can visit <https://broadbandmap.fcc.gov/home> and type in your information to see which broadband providers the FCC has associated with your address.

If you disagree with the providers shown you can submit a challenge to let the FCC know your area is/is not served! For more information on how to challenge the FCC data, watch this short video: <https://www.youtube.com/watch?v=fiFoxZKywv4>

## RD Circuit Rider Program - Technical Assistance for Rural Water Systems

This program provides technical assistance to rural water systems that are experiencing day-to-day operational, financial or managerial issues. Rural water system officials may request assistance from the National Rural Water Association State Association or the local Rural Utilities Service office. Rural Utilities Service staff may also request assistance on behalf of the system.

If interested contact Watertown Rural Development at (315) 782-7289, Ext. 4

For more information visit: <https://www.rd.usda.gov/programs-services/water-environmental-programs/circuit-rider-program-technical-assistance-rural-water-systems>

## Hazard Mitigation Module

This module is intended for water quality and hazard mitigation professionals that are interested in integrating water quality issues and/or nature-based solutions into state or local Hazard Mitigation Plans (HMPs) and highlights the benefits of working across water quality and hazard mitigation programs. Modules in this series can be used as training tools to help planners from both worlds explore activities of mutual interest and benefit. Case studies and examples are provided to assist hazard mitigation planners with integrating water resource programs into HMPs and help watershed planners understand the synergies between water resource plans and HMPs.

Click here to begin the module:

<https://www3.epa.gov/owow/HazardMitigationModuleFeb2023/>

## Green Purchasing Community

Even as we try to reduce and reuse, there are always some products local governments need to purchase to carry out their missions. New York State's NEW Green Purchasing Communities program makes it easy for local governments to buy products and services that have a lower environmental impact. Joining is free and easy; in two short steps, you can lead your community to a greener future and lower your environmental impact.

Additionally, this action gives you points towards the Climate Smart Communities Certification program.

For additional information visit: <https://ogs.ny.gov/apply-now-become-green-purchasing-community>

## Drinking Water Source Protection Program (DWSP2)

The New York State Departments of Environmental Conservation (DEC) and Health (DOH) have announced a new initiative to assist municipalities with assessing and supporting drinking water source protection programs. The Drinking Water Source Protection Program (DWSP2) is a state-run program created to assist municipalities with proactively protecting their drinking water sources. The goal is to help municipalities develop and implement their own unique drinking water source protection plan for the source(s) of their drinking water.

In order to do so, the State is looking for communities to work with a technical assistance provider (TA provider), free of charge, to develop a DWSP2 Plan for their source of drinking water. TA providers will work with the community every step of the way, using the DWSP2 Framework, to develop a community specific DWSP2 Plan. As a result of this program, participating municipalities can use their newly developed DWSP2 plan to start implementing protection measures.

For additional information visit: <https://www.dec.ny.gov/chemical/115250.html>

## New York State Barn Rehabilitation Tax Credit Program

Owners of historic barns may qualify for a New York State tax incentive for qualified rehabilitation work. The Historic Barn Rehabilitation Tax Credit program offers a state income tax credit equal to 25% of the expenditures incurred to rehabilitate a historic barn. The barn must have been built prior to 1946 (National Register listing is not a requirement) and the work must be approved by the Division for Historic Preservation. There is no cap on the amount of credit that may be earned, and taxpayers can begin to claim the credit on their 2022 NYS taxes.

For more information about the qualification criteria and the application process, please review the documents below, or call (518) 237-8643 and request to speak to the Division staff member who handles barn credits. View the presentation at: <https://www.youtube.com/watch?v=Jql8H-27Zps>

## Community Choice Aggregation - NEW Developments!!!

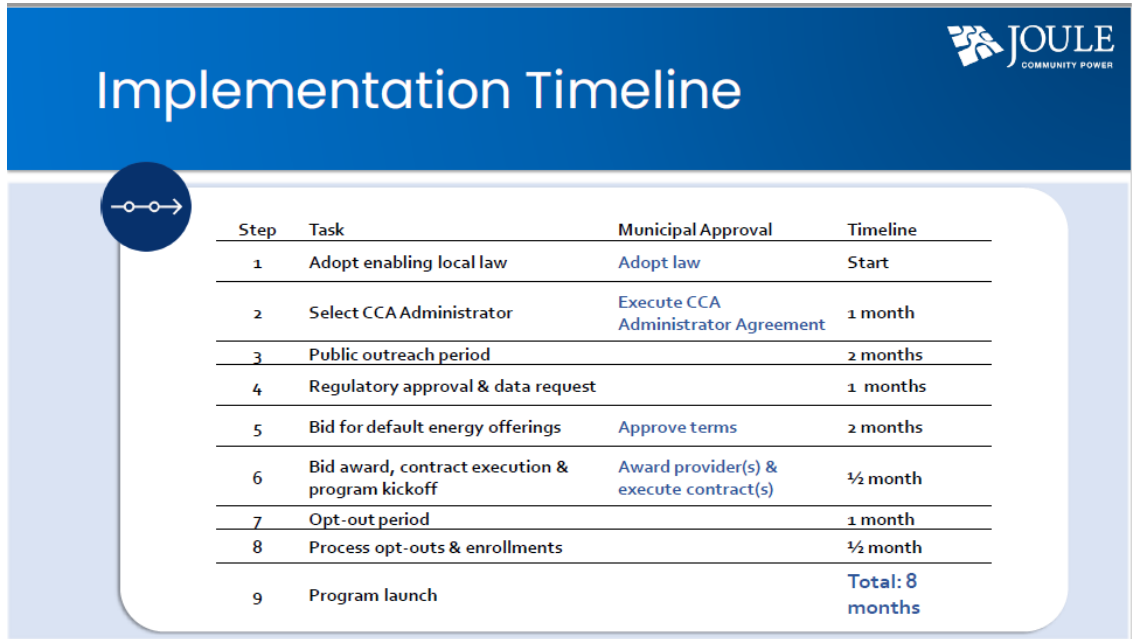

Community Choice Aggregation (CCA) allows Joule to go out to bid on behalf of the municipality using the power of numbers to get the best energy rates for the residents. Joule has had a bit of a workforce turnover, and our current representative is now Glenn Weinberg.

We currently have several municipalities in the beginning stages of utilizing Community Choice Aggregation. Obviously, if more municipalities wanted to join together moving forward with CCA, more competitive fixed electric rates could be attained.

Community Choice Aggregation requires two simple actions to start the process. The first action is adopting a local law that allows your municipality to participate in CCA. Second is naming a CCA Administrator, the County did the heavy lifting on this step and has vetted Joule Assets. Please let Megan Krokowski know if your municipality is interested in

starting the process as we will get the paperwork tailored to your municipality for convenience.

To the right is a sample timeline. At any point in the process, the municipality can back out, with no financial repercussions!

## The Affordable Connectivity Program

The Affordable Connectivity Program is a Federal Communications Commission program that helps connect families and households struggling to afford internet service. This new benefit provides a discount of up to \$30 per month toward broadband service for eligible households and up to \$75 per month for households on qualifying Tribal lands. Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers. Eligible households can enroll through a participating broadband provider or directly with the Universal Service Administrative Company (USAC) using an online or mail in application. For additional information visit: <https://www.fcc.gov/acp>

## Canva For Non-Profits – Could be FREE

**Description:** Canva is a design tool that allows an easy way to create high impact social media graphics, logos, branding and marketing materials.

For more information visit: <https://www.canva.com/canva-for-nonprofits/>

## Canva for Education – Could be FREE

**Description:** Whether you are a teacher or student, Canva for Education makes it easy to create, collaborate, and communicate visually in the classroom and beyond. It's 100% free for K-12 teachers and their students.

For additional information visit: <https://www.canva.com/education/>

# New Grant Opportunities

## Northern Forest Center

### [Community Recreation Grants](#)

**Description:** This grant program is intended to help volunteer-led organizations with that new demand. Funding can be used for projects such as trailside interpretive signs, gear lending libraries, safe bike lanes that provide access to recreational areas from a village center, summer outdoor programs, easy-to-read trail maps, or other local priorities (all ideas are welcome). Ideal projects will address some or all of these goals: Reduce physical, financial, and social barriers to participating in outdoor recreation; Use outdoor recreation to address public health concerns; Embrace principles of sustainability, natural resource engagement, and stewardship. Volunteer-led non-profits and municipal groups are eligible for funding.

For additional information visit:

<https://northernforest.org/center-offers-small-grants-for-community-recreation/>

**Deadline:** March 31, 2023

## Kubota

### Kubota Hometown Proud 2023 Grant

**Description:** Kubota will once again invest in FIVE \$100,000 community grants, helping local organizations make an impact in their own communities. To be considered, all grant applications must be entered by a 501(c)(3) nonprofit status organization or a city, town, county, or other municipality. The nominated project must be within a 50-mile radius of an authorized Kubota dealer to qualify. Kubota will judge each entry and select five winners to each receive a \$100,000 grant. Once the five winners are announced, public voting will be live from August 1–14, 2023 when the public will have the chance to select one Kubota Community Choice winner to receive an additional \$100,000 grant.

**Deadline:** March 31, 2023

For more information visit: <https://www.kubotausa.com/hometown-proud/application>

## Preservation League of NYS

### [Preserve New York](#)

**Description:** Preserve New York (PNY) grants provides support to eligible 501(c)3 not-for-profit organizations and municipalities in New York State for projects that identify, document, and preserve New York’s cultural and historic buildings, structures, and landscapes. Now in its 30th year, PNY helps fund preservation planning projects: historic structure reports, condition reports, cultural landscape reports, and cultural resource surveys. This program funds consulting reports only and will not fund capital repairs or construction costs, architectural plans and specifications, schematic designs, or construction documents.

**Deadline:** March 31, 2023 at 5PM

For more information visit: <https://www.preservenys.org/preserve-new-york>

## Humanities New York

### Action Grants

**Description:** Action Grants offer up to \$10,000 to implement humanities projects that encourage public audiences to reflect on their values, explore new ideas, and engage with others in their community. All subjects and themes relevant to the communities served are welcome. These grants aim to: Connect audiences more deeply to the communities where they live and work; Solidify community partnerships and diversify audiences; Creatively employ the tools of the humanities to respond to issues and ideas capturing the imagination and passion of New Yorkers.

**Deadline:** April 1, 2023 for projects starting July 1, 2023 or later

For more information visit: <https://humanitiesny.org/our-work/action-grants/>

## DOJ

### Body Worn Camera Policy and Implementation Program

**Description:** With this solicitation, Bureau of Justice Assistance (BJA) seeks to expand the adoption of body-worn cameras (BWCs) in state, local, and tribal law enforcement agencies, including correctional agencies that perform law enforcement functions. BJA also seeks to assist agencies that have existing BWC programs expand and refine those programs, and BJA seeks to promote the more effective management, sharing, and integration of digital evidence generated by BWCs within and between criminal justice agencies.

**Deadline:** April 4, 2023

For more information visit: <https://bja.ojp.gov/funding/opportunities/o-bja-2023-171562>

## NYS Ag & Markets

### NYS Companion Animal Capital Projects

**Description:** The New York State Department of Agriculture and Markets invites eligible not-for-profit pounds, shelters, and humane societies to submit proposals for funding consideration from the Companion Animal Capital Projects Fund. Funding in the amount of \$1,000,000 will be available under this RFP for the costs of capital projects, including construction, renovation, rehabilitation, installation acquisition or expansion of buildings, equipment or facilities necessary for the secure containment, health and adequate care of sheltered dogs and cats.

**Deadline:** April 4, 2023

For more information visit: <https://agriculture.ny.gov/rfp-0290-companion-animal-capital-projects-fund>

## Naturally Lewis

### Vacant Property Revitalization Program

**Description:** Lewis County is targeting vacant and potentially unsafe or blighted properties within downtown areas to turn them into usable spaces for business development opportunities. The Vacant Property Revitalization Program will have immediate effects on our downtowns, enhancing our communities, driving business development, and bringing residents and tourists into down areas. By focusing on bringing these buildings back to life, the community will see an increase in the property tax base, the creation of local construction jobs, future employment within businesses, and an enhanced quality of life.

**Deadline:** April 7, 2023

For additional information visit: <https://naturallylewis.com/growing-opportunities/vpr>

## EPA

### Environmental Justice Government to Government Grant

**Description:** The United States Environmental Protection Agency (EPA) is offering the Environmental Justice Government-to-Government (EJG2G) program to provide funding at the state, local, territorial, and tribal level to support government activities that lead to measurable environmental or public health impacts in communities disproportionately burdened by environmental harms.

**Deadline:** April 10, 2023 at 11:59 PM

## NYSCA

### [Citizens' Institute on Rural Design \(CIRD\)](#)

**Description:** The National Endowment for the Arts, in partnership with the Housing Assistance Council and with design support from To Be Done Studio, is [excited to](#)

[announce](#) the Request for Applications to the Citizens' Institute on Rural Design (CIRD). Rural communities are invited to submit applications to receive design support and technical assistance to host an on-site Local Design Workshop or participate in the Design Learning Cohort.

There are two opportunities to choose from:

- Local Design Workshops, where at least four communities, working closely with design, arts, and planning professionals, will do a deep dive into a pressing design challenge that is impacting their community.
- Design Learning Cohort, where at least 15 communities will participate in peer-to-peer engagement and virtual training in design, planning, community engagement, and facilitation techniques. Resources will include technical assistance, one-on-one coaching, and optional in-person gatherings.

For additional information visit: <https://www.rural-design.org/how-to-apply>

**Deadline: April 21, 2023**

## Iroquois Pipeline

### Iroquois Community Grant

**Description:** If your organization is developing a community or environmental initiative designed to provide long-term, lasting benefits, we invite you to contact us for possible funding under Iroquois' Community Grant Program. This competitive-based program, with grants ranging from \$2,500 to \$10,000, is reserved exclusively for communities where Iroquois facilities are located. Priority is given to those proposals that meet established criteria and rank high with the program's intent.

For more information visit:

<https://www.iroquois.com/corporate-responsibility/community-partners/>

**Application available:** May 1, 2023

## NBRC

### 2023 Forest Economy Program - Spring

**Description:** With this program, the Commission intends to support the forest-based economy and to assist in the forest industry's evolution to include new technologies and viable business models across the four-state NBRC region. Eligible organizations, which include nonprofit and governmental entities (state, local & Indian tribes), are now able to access a program overview of the FEP via NBRC's website. The Commission will make up to \$7 million in grants available, with a maximum award of \$1 Million.

"There is an intrinsic link between the northern forest and the economic success of communities across the NBRC region. The program we are announcing today places a renewed focus on supporting businesses and communities in Northern New England and

New York as they seek out new and innovative markets for wood products,” said NBRC Federal Co-Chair Chris Saunders.

**Deadline:** Letters of Interest March 10, 2023; Applications (by invitation only) due April 28, 2023, 5 PM

For more information visit: <https://www.nbrc.gov/articles/131>

## EPA

### [Water Technical Assistance](#)

**Description:** All communities deserve access to safe, clean, and reliable water. Yet, too many communities across America – rural, urban, and suburban, small and large – face challenges in providing safe drinking water, wastewater, and stormwater services to their residents. EPA's free water technical assistance (TA) supports communities to identify water challenges, develop plans, build technical, financial, and managerial capacity, and develop application materials to access water infrastructure funding. EPA collaborates with states, tribes, territories, community partners, and other key stakeholders to implement water TA efforts. **The end result: more communities with applications for federal funding, quality water infrastructure, and reliable water services.**

Communities may request (subject to availability) free EPA water TA by filling out a simple interest form:

[Request Water Technical Assistance here](#)

Questions may be directed to [WaterTA@epa.gov](mailto:WaterTA@epa.gov). To receive ongoing updates, please sign up for the [EPA's Water Infrastructure and Resiliency Finance Center email list](#)

## DEC

### NYSP2I

**Description:** The NYS Pollution Prevention Institute has a Food Waste Reduction and Diversion Reimbursement Program for NYS businesses, not-for-profits, and municipalities that produce, haul, or recycle greater than one ton of food waste per week. Eligible applicants to be reimbursed up to 44% of their cost for items purchased since June 2017 or will purchase by April 2023.

**Deadline:** May 1, 2023

For more information visit: <https://www.rit.edu/affiliate/nysp2i/funding>

## USDA

### Farmers Market Promotion Program

**Description:** The Farmers Market Promotion Program (FMPP) funds projects that develop, coordinate and expand direct producer-to-consumer markets to help increase access to and availability of locally and regionally produced agricultural products by developing,

coordinating, expanding, and providing outreach, training, and technical assistance to domestic farmers markets, roadside stands, community-supported agriculture programs, agritourism activities, online sales or other direct producer-to-consumer (including direct producer-to-retail, direct producer-to-restaurant and direct producer-to-institutional marketing) market opportunities. A 25% match is required.

**Deadline:** May 2, 2023

**For additional information:** <https://www.ams.usda.gov/services/grants/fmpp>

## US DEPARTMENT OF ENERGY

### Energizing Rural Communities Prize

**Description:** The \$15 million Energizing Rural Communities Prize challenges individuals and organizations to develop partnership plans or innovative financing strategies to help rural or remote communities improve their energy systems and advance clean energy demonstration projects.

The Energizing Rural Communities Prize has two tracks:

- The Partner track – with a \$10 million cash prize pool – will support plans to connect rural or remote communities to government funding, technical assistance, or a network of partners that can help implement clean energy demonstration projects.
- The Finance track – with a \$5 million cash prize pool – will support plans to access capital or to develop community ownership models to help finance clean energy demonstration projects in rural or remote areas.

This prize is for entrepreneurs, university faculty and student groups, community organizations, tribal and local governments, financial institutions, industry professionals, and others with ideas to help organize or finance a clean energy demonstration project in a rural or remote area.

**Deadline:** Deadline May 30, 2023

For more information visit: <https://americanmadechallenges.org/challenges/rural-energy/>

## EFC

### Clean Water State Revolving Fund

**Description:** Before you can apply for financing through the Clean Water State Revolving Fund (CWSRF), you must first list your project on [EFC's Intended Use Plan \(IUP\)](#). Project listings are screened for eligibility, scored, ranked, and listed, and a new IUP is issued annually.

You must submit your project's information using EFC's [Project Listing and Update System \(PLUS\)](#). The required information includes contact information, a general description of the project's scope, a budget and a project schedule.

You should upload any available documents, such as engineering reports, consent orders, or project descriptions, through PLUS in order to receive the most accurate project score and ranking.

To receive financing in an IUP period, you must submit an approvable engineering report and a Smart Growth Assessment Form so that the project can be included on the Annual List. Projects without these documents will be on the multi-Year list only.

**Deadline:** June 16, 2023

For more information visit: <https://efc.ny.gov/cwsrf-apply>

## ESD

### FAST NY

**Description:** Under New York’s NY Shovel-Ready Grant Program, Empire State Development will provide up to \$200 million in grants to prepare and develop sites statewide to jumpstart New York’s shovel-readiness and increase its attractiveness to large employers, including high-tech manufacturing, particularly semiconductor manufacturing, interstate distribution and logistics businesses. The program will help diversify New York State’s economy while propelling new investments for businesses, communities and job creation.

For additional information visit: <https://esd.ny.gov/fast-ny>

**Deadline:** Rolling, until funding is exhausted

## 2023 Forest Economy Program - Fall

**Description:** With this program, the Commission intends to support the forest-based economy and to assist in the forest industry’s evolution to include new technologies and viable business models across the four-state NBRC region. Eligible organizations, which include nonprofit and governmental entities (state, local & Indian tribes), are now able to access a program overview of the FEP via NBRC’s website. The Commission will make up to \$7 million in grants available, with a maximum award of \$1 Million.

“There is an intrinsic link between the northern forest and the economic success of communities across the NBRC region. The program we are announcing today places a renewed focus on supporting businesses and communities in Northern New England and New York as they seek out new and innovative markets for wood products,” said NBRC Federal Co-Chair Chris Saunders.

**Deadline:** Letters of Interest September 15, 2023; Applications (by invitation only) due November 3, 2023 5 PM

For more information visit: <https://www.nbrc.gov/content/FEP>

# Ongoing Grant Opportunities

## Humanities New York

### Vision Grants

**Description:** Vision Grants offer up to \$1,500 in support of brainstorming, researching, and professional development for organizations working collaboratively to develop new ideas and strategies for public-facing humanities projects. These grants aim to: Support emerging and established partnerships between different groups on a shared project that may develop into public-facing activities; Infuse program design with humanities themes and methodologies from the start; Encourage experimentation in program design; and Build community input into program design.

For additional information visit: <https://humanitiesny.org/our-work/vision-grants/>

**Deadline:** Rolling

## FFAR

### Rapid Outcomes from Agricultural Research

**Description:** The Rapid Outcomes from Agricultural Research (ROAR) program deploys urgent funding to support research and outreach in response to emerging or unanticipated threats to the nation's food supply or agricultural systems.

For additional information visit:

<https://foundationfar.org/grants-funding/opportunities/rapid-outcomes-from-agricultural-research/>

**Deadline:** The ROAR program is open year-round to eligible applicants

## National Grid

### Project C

**Adopt a Park** - With Adopt a Park, we will provide funding to support the revitalization of overgrown, underdeveloped or abandoned parks. This includes assistance for gathering spaces, seating and tables that use or incorporate reclaimed or sustainable materials. Our program also provides funds for items such as paint, brushes, brooms, lightbulbs, and even plywood.

**Neighborhood Investment** - With this initiative, we are helping revitalize our New York communities by providing financial assistance for projects focused on energy, education, and community development. The Neighborhood Investment Program welcomes all projects that promote the use of sustainable and energy-efficient materials or equipment. Nonprofit and faith-based organizations, cultural institutions and recreation centers are encouraged to apply — and may be provided with funds to help enhance our community.

**SMB Technical Assistance Grant** - The Small Business Technical Assistance Support Grants will provide funding for the essential resources that our economic development partners need, so they can continue to serve and support local businesses in our New York service territory.

For more information visit the following website

<https://www.nationalgridus.com/project-c/Default>

## Humanities New York

### Quick Grants

**Description:** Quick Grants are \$500 implementation grants for in-person public humanities projects that encourage audiences to reflect on their values, explore new ideas, and engage with others in their community. Available to organizations whose total yearly operating expenses are \$250,000 or less. These grants aim to: Support smaller organizations in offering engaging public programming; Promote equity in access to the humanities, ensuring that New Yorkers of all backgrounds and from all regions may engage in cultural programming.

For additional information visit: <https://humanitiesny.org/our-work/quick-grants/>

**Deadline:** Rolling

## FFAR

### Proposing a Research Concept

**Description:** We fund food and agriculture science that addresses large-scale challenges to develop actionable knowledge and solutions. We fund research focusing on our cross-cutting Challenge Areas.

For more information visit:

<https://foundationfar.org/grants-funding/opportunities/submit-a-research-concept/>

**Deadline:** Rolling

## New York State Parks, Recreation and Historic Preservation

### Connect Kids to Parks Field Trip Grant Program

**Description:** Field Trips to state parks, nature centers and historic sites offer unlimited adventure! A Connect Kids grant will fund transportation AND fees for organized programs and activities, camping, entry to historic sites and much more!

For more information visit:

<https://parks.ny.gov/environment/connect-kids/grant-program.aspx>

**Deadline:** Ongoing, must apply at least 2 weeks before the scheduled date of the field trip and receive confirmation paperwork of approval.

## New York State

### Citizens Re-Organization and Empowerment Grant

**Description:** The CREG program can assist local governments with the dissolution or consolidation of a local government entity in accordance with General Municipal Law or the establishment of a new coterminous town-village, that operates principally as either a town or a village.

For additional information visit: <https://dos.ny.gov/system/files/documents/2021/11/final-2020-2022-creg-rfa-on-line-application.pdf>

**Deadline:** Due dates are the first Wednesday of every month by 4:00 PM. Review of applications will occur each month.

## Adirondack Foundation

### Small Grants for Small Children

**Description:** Small Grants for Small Children at Adirondack Foundation makes grants available to NYS licensed childcare centers and in-home family care providers to support the highest standards of care for children in our region. It helps to advance key goals of the Adirondack Birth to Three Alliance, which works to ensure that our children are

healthy, learning, and thriving in families that are well supported through essential services and resources. Grants from this fund are typically between \$100 - \$500.

For more information visit: <https://www.adirondackfoundation.org/granting/apply-grant/small-grants-small-children>

**Deadline:** Rolling

## **MLB - MLBPA**

### **Youth Development Foundation Grants**

**Description:** Major League Baseball (MLB) and the Major League Baseball Players Association (MLBPA) joined together to form a charitable foundation with a shared goal of increasing participation in and expanding access to youth baseball and softball. The MLB-MLBPA Youth Development Foundation (YDF) has awarded millions of dollars in grants to community-based projects that encourage and empower youth through baseball and softball in underserved communities. In response to the rising costs to access youth sports and protect children's rights in sports, YDF funds capital projects, programming, and education initiatives in the United States and internationally to ensure that all youth have an opportunity to play and learn through baseball and softball. Organizations applying for funding must have a strong sense of mission, proven track record of increasing access to affordable youth baseball and/or softball, committed leadership and a dedicated staff, and understanding and knowledge of the community and population served.

Interested applicants must submit an initial Letter of Inquiry (LOI) with proof of secured or projected funding to be considered for an application. Proposals are accepted year-round and grant decisions are made on a quarterly basis.

For more information visit: <http://www.mlbpa.org/programs>

**Deadline:** Rolling. Applications are accepted throughout the year, and grant decisions are made by its Board of Directors on a quarterly basis.

## **USDA Rural Development**

### **Community Facilities Programs**

**Description:** Community Facilities Programs offer direct loans, loan guarantees and grants to develop or improve essential public services and facilities in communities across rural America. Public bodies, non-profit organizations and federally recognized American Indian Tribes can use the funds to construct, expand or improve facilities that provide health care, education, public safety, and public services. Projects include fire and rescue stations, village and town halls, healthcare clinics, hospitals, adult and childcare centers, assisted living facilities, rehabilitation centers, public buildings, schools, libraries, and many other community-based initiatives. Financing may also cover the costs for land acquisition, professional fees, and purchase of equipment.

For additional information visit:

<https://www.rd.usda.gov/programs-services/community-facilities>

**Deadline:** Rolling

## Gary Sinise Foundation

### First Responder Grant

**Description:** Grant funds limited to equipment and training only for: Law Enforcement Departments, Fire Departments, and Paramedic or EMS Departments, with priority for volunteer, low, and underfunded departments.

For more information visit:

<https://www.garysinisefoundation.org/first-responders-outreach/>

**Deadline:** Rolling

## Orton Family Foundation

### Community Heart & Soul Seed Grant

**Description:** The Community Heart & Soul Seed Grant Program is designed for small cities and towns (population 2,500-30,000) provides \$10,000 in funding for resident-driven groups in small cities and towns to start the Community Heart & Soul model. Grant funding requires a \$10,000 cash match from the participating municipality or a partnering organization. Community Heart & Soul is a four-phase, step-by-step process that brings residents together to chart a course forward that recognizes and honors the unique character of their town and the emotional connection of the people who live there.

For additional information visit:

<https://www.communityheartandsoul.org/seed-grants/>

**Deadline:** Rolling application deadline

## Joint Utilities of New York

### EV Make-Ready Program

**Description:** The goal is to support the development of electric infrastructure and equipment necessary to accommodate an increased deployment of EVs within New York State by reducing the upfront costs of building charging stations for EVs. Through this EV Make-Ready Program, entities seeking to install or participate in the installation of Level 2 ("L2") and/or Direct Current Fast Charging ("DCFC") chargers can earn incentives that will offset a large portion of, or in some cases, all the infrastructure costs associated with preparing a site for EV charger installation.

For more information visit: <https://jointutilitiesofny.org/ev/make-ready>

**Deadline:** Rolling

## NYSERDA

### Clean Energy Communities Grants

#### 1. Clean Energy Communities Designation Grants: \$5,000 (no match)

- A one-time grant of \$5,000 is available to any community that completes any 4 of 13 possible high-impact actions. (Please see list of high-impact actions below).

**2. Point-Based Grants: \$10,000-\$100,000 (no match)**

- Earn points for each high-impact action completed (200-2,000 points per action).
- Collect enough points to cross certain point thresholds to become eligible for larger grant amounts before they are all claimed.

Total Points	Total Awards in North Country	Grant Amount
3,000	40	\$10,000
4,000	10	\$20,000
5,000	4	\$70,000

**3. Action Grants: \$5,000 per eligible action completed (no match)**

- Implement NYStretch Energy Code (applicable if you enforce the Uniform Code for private buildings)

Municipality Size by Population	Action Grant Amount	Number of Awards
0-39,999	\$5,000	100

- Community Campaigns: Complete any of the following campaign types, but no more than one campaign per campaign type, to earn credit for this action. A single campaign may cover more than one technology.

Campaign Type	Required # of Participants	Grant Amount	Number of Awards
Community Solar	10	\$5,000	100 campaigns statewide for municipalities with population 0-39,999
Electric Vehicles	10	\$5,000	
Clean Heating, Cooling & Energy Efficiency	3	\$5,000	
Demand Response	10	\$5,000	

**High-Impact Action Items:**

- 1. Unified Solar Permit:** 200 points
- 2. Energy Code Enforcement Training:** 200 points
- 3. Benchmarking:** 100-300 points (municipalities w/population 0-39,999)
- 4. Property Assessed Clean Energy (PACE) Financing:** 200-500 points
- 5. Clean Energy Upgrades:** 500 points
- 6. Clean Heating and Cooling Demo:** 500 points
- 7. 100% Renewable Electricity:** 500 points
- 8. Community Campaigns:** 200-800 points
- 9. Climate Smart Communities Certification:** 600-800 points
- 10. LED Street Lights:** 200-900 points
- 11. Clean Fleets:** 200-1,000 points
- 12. NYStretch Energy Code:** 1,200 points
- 13. Community Choice Aggregation (CCA):** 1,500-2,000 points

\*\*\*More information on the program visit:

<https://www.nyserda.ny.gov/All-Programs/Clean-Energy-Communities>

**Funding Available:** For municipalities with population under 40,000

**Deadline:** NYSERDA will accept applications on a rolling basis until December 31, 2025, or until funds are exhausted.

## Lewis County Chamber of Commerce Community Mural Initiative

**Description:** Murals are a great way to beautify blank spaces and showcase a community's identity and history. Interested towns and villages can reach out to the Lewis County Chamber of Commerce for more information or visit <https://adirondackstughill.com>

**Contact:** Kristen Aucter at (315) 376-2213

## National Grid

### Electric Vehicle Charging Station Program

**Description:** Partner with National Grid to install electric vehicle (EV) charging stations at little or no cost. Our programs offer incentives and opportunities to install EV charging stations, save on electricity costs for DC fast-charging stations, and convert fleet vehicles to EVs.

- **[Electric Vehicle Charging Station Make-Ready Program](#)**  
Partner with us to install EV charging stations at little or no cost and attract customers to your business.
- **[Fleet Advisory Services and Make-Ready Program](#)**  
Partner with us to create a plan for converting your fleet vehicles to electric alternatives and access funding to install chargers.
- **[DCFC Per Plug Incentive Program](#)**  
Take advantage of the annual discount to save electricity cost for DC fast-charging stations.

**Funding Available:** 50%-100% Cost Based on Established Project Criteria

For additional information visit: <https://www.nationalgridus.com/upstate-ny-business/Energy-Saving-Programs/Electric-Vehicle-Charging-Station-Program.aspx#ev>

**Deadline:** Rolling

## ESD

### [NY Ventures Pre Seed and Seed Matching Fund Program](#)

**Description:** The **State Small Business Credit Initiative (SSBCI)** is providing \$30 million for the Pre-seed and Seed Matching Fund Program ("Program") to support high growth start-up companies at the earliest stages of their growth and development.

**Deadline:** Rolling

For additional information visit: <https://esd.ny.gov/pre-seed-and-seed-matching-fund-program>

## New York State

### NYS Septic System Replacement Fund Program

**Description:** The **New York State Septic System Replacement Fund Program** provides funding to replace cesspools and septic systems in New York State. This grant program's goal is to reduce the environmental and public-health impacts associated with the discharge from cesspools and septic systems to improve water quality. The program targets cesspools and septic systems near priority waterbodies. Failing systems along the **Beaver River, Lower, and tributaries** could be eligible for this funding. The state is providing Lewis County with funds to work with local property owners. Lewis County will provide grants to reimburse the property owner for up to 50% of the costs (up to a maximum of \$10,000) of their eligible septic system project, include:

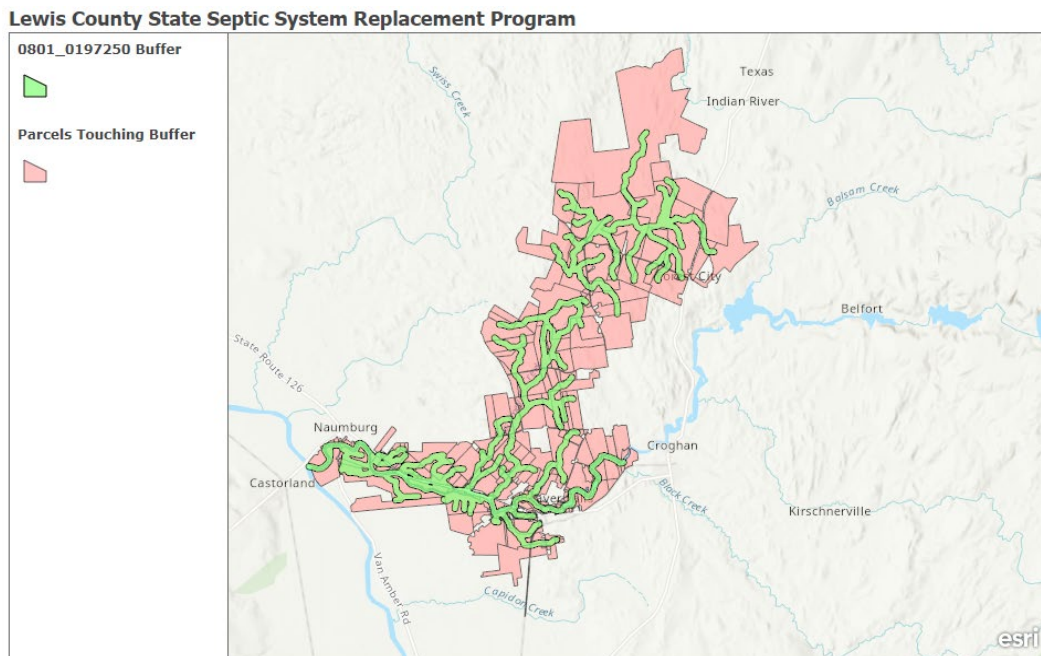

- replacement of a cesspool with a septic system; or
- installation, replacement or upgrade of a septic system or septic system components.
- installation of enhanced treatment technologies, including an advanced nitrogen removal system.

For more information visit:

<https://www.lewiscounty.org/departments/planning/septicfund>

**Deadline:** Rolling

See following map of eligible septic system replacement program area shown in light red.

# Upcoming Grant Opportunities

## Iroquois Pipeline

### Iroquois Community Grant

**Description:** If your organization is developing a community or environmental initiative designed to provide long-term, lasting benefits, we invite you to contact us for possible funding under Iroquois' Community Grant Program. This competitive-based program, with grants ranging from \$2,500 to \$10,000, is reserved exclusively for communities where Iroquois facilities are located. Priority is given to those proposals that meet established criteria and rank high with the program's intent.

For more information visit:

<https://www.iroquois.com/corporate-responsibility/community-partners/>

**Application available:** November 1, 2023

## NYSDEC

### [Regenerate NY Forestry Cost Share](#)

**Description:** Through Regenerate NY, landowners can apply for financial assistance for projects on their land that support the establishment and renewal of healthy forests. This is a cost share reimbursement program, so all costs must be incurred by the landowner or fiscal sponsor before they can be reimbursed.

For more information visit: <https://www.dec.ny.gov/lands/119950.html>

Application available: Spring 2023

## USDA RURAL DEVELOPMENT

### [Revolving Funds for Financing Water and Wastewater Projects](#)

This program helps qualified nonprofits create revolving loan funds that can provide financing to extend and improve water and waste disposal systems in rural areas.

For more information visit: <https://www.rd.usda.gov/programs-services/water-environmental-programs/revolving-funds-financing-water-and-wastewater-projects>

Application Anticipated: June 2023-July 2023

## PRESERVE NY

### [Technical Assistance Grant \(TAG\)](#)

**Description:** This program provides support for consulting projects that preserve New York State's cultural and historic resources. The grants will support professional services of architects, engineers, and other design and preservation professionals working with nonprofit groups and municipalities to preserve their buildings, structures, and other resources that serve an art and/or cultural function.

For more information visit: <https://www.preservenys.org/technical-assistance-grants>

Application available: October 2023
