PROJECT COMPLETE

Lewis County Broadband Initiative

Lyonsdale & Diana

Lewis County received \$747,790 in CDBG-CV funding to provide fixed wireless internet to users in Lyonsdale & Diana

Hudson Valley Wireless can serve an estimated 600 previously unserved users in Harrisville and Lyonsdale

Free public wi-fi is now available in Downtown Port Leyden and the Village's Recreational Area

Users who are eligible for the Affordable Connectivity Program may be able to receive free installation and equipment

Project made possible with funds from:
