## Upcoming Training Opportunities

### [NYSLTAP - CLRP Foundational Webinars Series](#)

Join the New York State Local Technical Assistance Program Center - Cornell Local Roads Program for their ongoing series of free foundational webinars focused on the important principles key to local highway agency operations and management.

These webinars are held on Tuesdays from 9:00 a.m. to 10:00 a.m., unless otherwise noted.

June 20 - [Complete Streets and ADA\\*](#)

June 27 - [Guiderail\\*](#)

Visit the following link to register and view all available webinars offered by NYS LTAP and other resources: <https://cals.cornell.edu/nysltap-local-roads/training-events/webinars-online-training>

## Be Active and Involved

**Please consider completing and sharing the following opportunities as you see fit:**

### [EPA Seeking Public Input on the Clean Heavy-Duty Vehicle Program](#)

The Inflation Reduction Act provides \$1 billion to replace heavy-duty vehicles with zero-emission vehicles, support zero-emission vehicle infrastructure, and train and develop workers. EPA will distribute this \$1 billion to eligible applicants via grants, rebates, and/or contracts to purchase clean, heavy-duty vehicles, with \$400 million allocated to communities in nonattainment areas.

**Submit your feedback to [cleanhdvehicles@epa.gov](mailto:cleanhdvehicles@epa.gov)**

### [Clean Watershed Needs Survey](#)

Does your community have water quality infrastructure that is outdated or in need of repair? The Environmental Facilities Corporation needs your help to ensure we can fund as many water quality infrastructure projects as possible in upcoming years. We need local governments and other eligible recipients to participate in the Clean Watersheds

Needs Survey (CWNS). Your participation is critical to ensure New York State continues to receive a high level of funding for water quality infrastructure projects.

You can help by submitting your community's needs and cost documentation to EFC. Together with other communities, your participation will help show the need for water quality infrastructure funding to federal lawmakers who decide how much money our state will receive.

Visit the following link to provide the requested documentation for your municipal water infrastructure needs:

<https://efc.ny.gov/documents-and-resources-clean-watersheds-needs-survey>

## Non-Grant Opportunities

### North Country Clean Energy Hub

The North Country Clean Energy Hub recently launched, with staff prepared to offer a variety of information on such resources to North Country residents about weatherization and clean energy projects. The mission of the hub is to “support people and businesses in adopting clean energy technology, utilizing energy efficiency programs, and finding jobs in the clean energy industry. These initiatives can save money, make homes healthier, and reduce reliance on fossil fuels.” The hub will serve Clinton, Essex, Franklin, St. Lawrence, Hamilton, Jefferson, and Lewis counties.

The hub offers advisory resources that can help residents and homeowners access funding, information, and contractors. The advisory topics include home energy audits, weatherization and energy efficiency, green heating and cooling options, and renewable energy. Depending on your family's income and the improvements you are interested in, you may be eligible for grants, loans, rebates, and tax credits.

As clean energy efforts expand in New York, the hub is seeking to provide workforce development support to ensure that there is an adequate pool of companies and skilled labor to meet the demand of clean energy projects. Contractors or those looking to enter the clean energy industry should reach out.

If you are interested in a clean energy project for your home or business, including weatherization, please reach out to your North Country Clean Energy Hub advisor. Middle and low-income people are especially encouraged to inquire. The advisor for Jefferson and Lewis counties is Eamon LaDue, [el692@cornell.edu](mailto:el692@cornell.edu) or 315-775-8864. More information and contacts for the hub can be found on the [Hub's website](#).

### Water Technical Assistance

**Description:** All communities deserve access to safe, clean, and reliable water. Yet too many communities across America – rural, urban, and suburban, small and large – face challenges in providing safe drinking water, wastewater, and stormwater services to their residents. EPA's free water technical assistance (TA) supports communities to identify water challenges, develop plans, build technical, financial, and managerial capacity, and

develop application materials to access water infrastructure funding. EPA collaborates with states, tribes, territories, community partners, and other key stakeholders to implement water TA efforts. **The end result: more communities with applications for federal funding, quality water infrastructure, and reliable water services.**

Communities may request (subject to availability) free EPA water TA by filling out a simple interest form:

### [Request Water Technical Assistance here](#)

Questions may be directed to [WaterTA@epa.gov](mailto:WaterTA@epa.gov). To receive ongoing updates, please sign up for the [EPA's Water Infrastructure and Resiliency Finance Center email list](#)

### FCC's Interactive Broadband Availability Map

Have you checked out the FCC's Interactive Broadband Availability Map?! You can visit <https://broadbandmap.fcc.gov/home> and type in your information to see which broadband providers the FCC has associated with your address.

If you disagree with the providers shown you can submit a challenge to let the FCC know your area is/is not served! For more information on how to challenge the FCC data, watch this short video: <https://www.youtube.com/watch?v=fiFoxZKywv4>

### RD Circuit Rider Program - Technical Assistance for Rural Water Systems

This program provides technical assistance to rural water systems that are experiencing day-to-day operational, financial or managerial issues. Rural water system officials may request assistance from the National Rural Water Association State Association or the local Rural Utilities Service office. Rural Utilities Service staff may also request assistance on behalf of the system.

If interested contact Watertown Rural Development at (315) 782-7289, Ext. 4

For more information visit: <https://www.rd.usda.gov/programs-services/water-environmental-programs/circuit-rider-program-technical-assistance-rural-water-systems>

### [Hazard Mitigation Module](#)

This module is intended for water quality and hazard mitigation professionals that are interested in integrating water quality issues and/or nature-based solutions into state or local Hazard Mitigation Plans (HMPs) and highlights the benefits of working across water quality and hazard mitigation programs. Modules in this series can be used as training tools to help planners from both worlds explore activities of mutual interest and benefit. Case studies and examples are provided to assist hazard mitigation planners with integrating water resource programs into HMPs and help watershed planners understand the synergies between water resource plans and HMPs.

Click here to begin the module:

<https://www3.epa.gov/owow/HazardMitigationModuleFeb2023/>

## [Green Purchasing Community](#)

Even as we try to reduce and reuse, there are always some products local governments need to purchase to carry out their missions. New York State's NEW Green Purchasing Communities program makes it easy for local governments to buy products and services that have a lower environmental impact. Joining is free and easy; in two short steps, you can lead your community to a greener future and lower your environmental impact.

Additionally, this action gives you points towards the Climate Smart Communities Certification program.

For additional information visit: <https://ogs.ny.gov/apply-now-become-green-purchasing-community>

## [Become a National Trails Day Event Host](#)

There's something magical about being outdoors. Fresh air, birds singing, moving along a trail or even just around the block – there's nothing quite like it. But today, those trails and public spaces are in dire need of help – and not everyone has access to these places that can calm and inspire. National Trails Day® is the perfect opportunity to get out there with the people you love, give back to the trails that bring us together, and make sure no one is left out.

Connect with the people near you who share your love of being outside. Build your local community and join the nationwide movement to give back to the trails and make sure everyone can enjoy the outdoors.

Taking place on the first Saturday in June, National Trails Day® is a day of public events aimed at advocacy and trail service. Tens of thousands of hikers, bikers, paddlers, horseback riders, trail clubs, federal and local agencies, land trusts, and businesses come together in partnership to advocate for, maintain, and clean up public lands and trails.

For information on hosting an event visit: <https://americanhiking.org/national-trails-day/host-information/>

## [Assistance from EPA's Municipal Ombudsman](#)

The [Office of the Municipal Ombudsman](#) provides a unique service specifically for utilities/municipalities in identifying technical assistance opportunities, brainstorming federal funding options (BIL and more!), clean water act flexibilities, integrated planning assistance, and more. Please reach out to [municipalombudsman@epa.gov](mailto:municipalombudsman@epa.gov) or 202-564-1709 to discuss your projects, permits, or other clean water concerns today.

## [Climate Smart Communities Coordinators Technical Assistance](#)

Climate Smart Communities Coordinators are available to provide free support services to municipalities across the state as part of the Climate Smart Communities program. Coordinators will assist and support local governments in taking action to reduce greenhouse gas emissions and adapt to climate change through outreach, planning, education, and capacity building. Coordinators will also engage communities in participatory climate future scenario planning, developing climate change adaptation and

resilience plans, and convening climate and transportation listening sessions to inform sustainable and low-carbon transportation policies. Capital District Regional Planning Commission will lead the multi-region Climate Smart Communities Coordinators teams for the eastern territory (Mid-Hudson, Capital Region, Mohawk Valley, and North Country). Program partners include the Adirondack North Country Association, the Hudson Valley Regional Council, Mohawk Valley EDGE, Planning4Places, Inc, and Climate Action Associates.

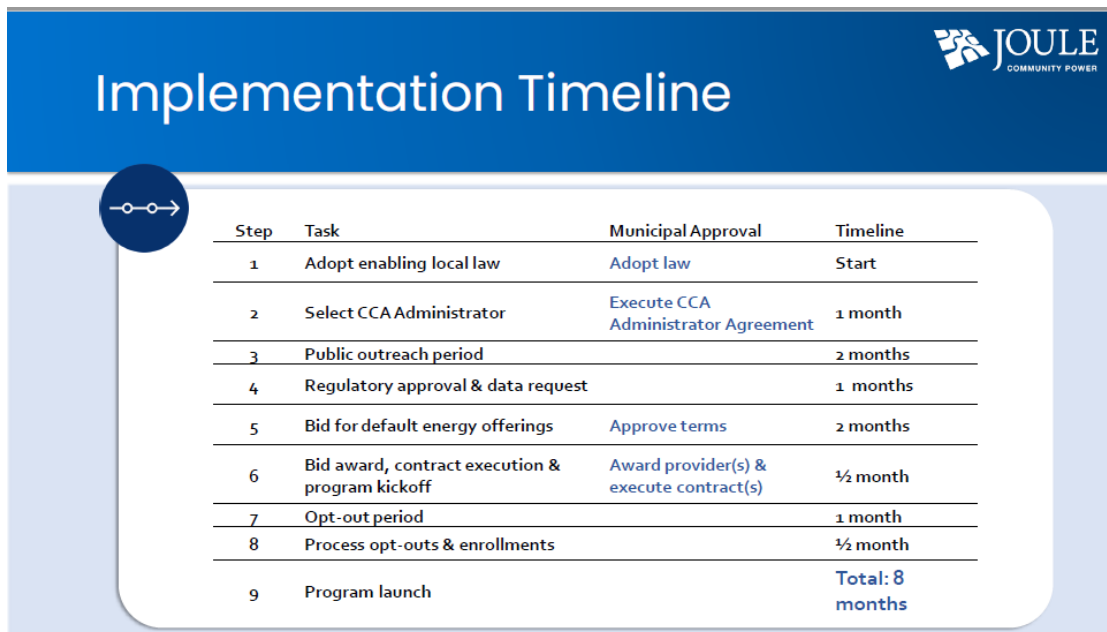

## Community Choice Aggregation

Community Choice Aggregation (CCA) allows Joule to go out to bid on behalf of the municipality using the power of numbers to get the best energy rates for the residents. Joule has had a bit of a workforce turnover, and our current representative is now Glenn Weinberg.

We currently have several municipalities in the beginning stages of utilizing Community Choice Aggregation. Obviously, if more municipalities wanted to join together moving forward with CCA, more competitive fixed electric rates could be attained.

Community Choice Aggregation requires two simple actions to start the process. The first action is adopting a local law that allows your municipality to participate in CCA. Second is naming a CCA Administrator, the County did the heavy lifting on this step and has vetted Joule Assets. Please let Megan Krokowski know if your municipality is interested in starting the process as we will get the paperwork tailored to your municipality for convenience.

Once the communities complete the first steps, Joule starts assembling aggregate communities and once 15,000 energy users are reached the energy bid process begins. In the meantime, the public outreach and education begins so the public will be aware of the possible changes anticipated. Below is a sample timeline. At any point in the process, the municipality can back out, with no financial repercussions!

## Drinking Water Source Protection Program (DWSP2)

The Drinking Water Source Protection Program (DWSP2) is a state-run program created to assist municipalities with proactively protecting their drinking water sources. The goal is to help municipalities develop and implement their own unique drinking water source protection plan for the source(s) of their drinking water. In order to do so, the State is looking for communities to work with a technical assistance provider (TA provider), free of charge, to develop a DWSP2 Plan for their source of drinking water. TA providers will work with the community every step of the way, using the DWSP2 Framework, to develop a community specific DWSP2 Plan. As a result of this program, participating municipalities can use their newly developed DWSP2 plan to start implementing protection measures.

For additional information visit: <https://www.dec.ny.gov/chemical/115250.html>

## New York State Barn Rehabilitation Tax Credit Program

Owners of historic barns may qualify for a New York State tax incentive for qualified rehabilitation work. The Historic Barn Rehabilitation Tax Credit program offers a state income tax credit equal to 25% of the expenditures incurred to rehabilitate a historic barn. The barn must have been built prior to 1946 (National Register listing is not a requirement) and the work must be approved by the Division for Historic Preservation. There is no cap on the amount of credit that may be earned, and taxpayers can begin to claim the credit on their 2022 NYS taxes.

For more information about the qualification criteria and the application process, please review the documents below, or call (518) 237-8643 and request to speak to the Division staff member who handles barn credits. View the presentation at: <https://www.youtube.com/watch?v=Jql8H-27Zps>.

## The Affordable Connectivity Program

The Affordable Connectivity Program is a Federal Communications Commission program that helps connect families and households struggling to afford internet service. This new benefit provides a discount of up to \$30 per month toward broadband service for eligible households and up to \$75 per month for households on qualifying Tribal lands. Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers. Eligible households can enroll through a participating broadband provider or directly with the Universal Service Administrative Company (USAC) using an online or mail in application. For additional information visit: <https://www.fcc.gov/acp>

## Canva For Non-Profits – Could be FREE

**Description:** Canva is a design tool that allows an easy way to create high impact social media graphics, logos, branding and marketing materials.

For more information visit: <https://www.canva.com/canva-for-nonprofits/>

## Canva for Education – Could be FREE

**Description:** Whether you are a teacher or student, Canva for Education makes it easy to create, collaborate, and communicate visually in the classroom and beyond. It's 100% free for K-12 teachers and their students.

For additional information visit: <https://www.canva.com/education/>

## New Grant Opportunities

### NRCS

#### [Municipal-led Food Waste and Compost Project Grants](#)

**Description:** Natural Resource Conservation Service (NRCS) has opened a grant to support municipalities and school districts interested in entering into cooperative agreements with eligible entities to develop and test strategies for planning and implementing municipal compost plans and food waste reduction plans. The main purpose of this grant is to divert residential and commercial food waste from landfills.

Proposed projects can be located in all community types including rural, urban and suburban. Contact Jennifer Perry at [jperry@adirondack.org](mailto:jperry@adirondack.org) at ANCA for more information or for grant submission assistance.

For additional information visit: <https://www.usda.gov/topics/urban/coop-agreements>

**Deadline:** June 15, 2023

### DEC

#### [UCF1 Tree Inventory and Community Forestry Management Plan](#)

**Description:** This reimbursement grant program focuses on partnerships, volunteers, community groups, professionals and outreach and education because these are components of strong and sustainable community forestry programs. Eligible project categories include tree inventories and management plans and education programming for those who care for community trees. Some categories require a 25% match. Grant funds are available from the NYS Environmental Protection Fund and are managed and allocated by DEC.

For more information visit: <https://www.dec.ny.gov/lands/5285.html>

**Deadline:** June 21, 2023

### EFC

#### [Clean Water State Revolving Fund](#)

**Description:** Before you can apply for financing through the Clean Water State Revolving Fund (CWSRF), you must first list your project on [EFC's Intended Use Plan \(IUP\)](#). Project listings are screened for eligibility, scored, ranked, and listed, and a new IUP is issued annually.

You must submit your project's information using EFC's [Project Listing and Update System \(PLUS\)](#). The required information includes contact information, a general description of the project's scope, a budget and a project schedule.

You should upload any available documents, such as engineering reports, consent orders, or project descriptions, through PLUS in order to receive the most accurate project score and ranking.

To receive financing in an IUP period, you must submit an approvable engineering report and a Smart Growth Assessment Form so that the project can be included on the Annual List. Projects without these documents will be on the multi-Year list only.

**Deadline:** June 16, 2023

For more information visit: <https://efc.ny.gov/cwsrf-apply>

## USDA

### Local Meat Capacity Grant

Funding Opportunity Number: USDA-AMS-TM-LMCG-G-23-0017

**Description:** This program supports independently owned meat and poultry processing businesses with funds to provide more and better processing options for local livestock producers by modernizing, increasing, diversifying and decentralizing meat and poultry processing capacity, including support for rendering.

Processing Expansion Projects will fund grants from \$100,000 up to \$5 million to increase the processing and/or rendering capacity of privately, cooperatively, non-profit, or Tribally held processing facilities.

Simplified Equipment-Only Projects offer a simplified application to fund smaller grants between \$10,000 and \$250,000 for equipment purchases for meat and poultry processors. Examples of Simplified Equipment: Projects include but are not limited to smokers and sausage makers.

For additional information visit: <https://www.grants.gov/web/grants/search-grants.html?keywords=USDA-AMS-TM-LMCG-G-23-0017>

**Deadline:** July 19, 2023

## EFC

### WIIA/ IMG

**Description:** The Water Infrastructure Improvement (WIIA) program provides competitive grants to help municipalities fund critical wastewater and drinking water infrastructure projects. The program demonstrates New York State's nation-leading commitment to upgrading water and sewer systems, reducing water pollution, and safeguarding vital drinking water supplies from emerging contaminants and toxic chemicals. The Intermunicipal Grants (IMG) program is available for both drinking water and wastewater projects that serve multiple municipalities, such as a shared water quality infrastructure project or the interconnection of multiple municipal water systems.

**Deadline:** July 28, 2023

For more information visit: <https://efc.ny.gov/wiia>

## EDA

### Build to Scale (B2S)

**Description:** The Build to Scale Program strengthens regional economies by enabling startups to start. The FY 2023 Build to Scale program is comprised of two competitions – the Venture Challenge and the Capital Challenge. The Venture Challenge supports programs that enable high-growth technology entrepreneurship and foster inclusive access to proven entrepreneurship support models. The Capital Challenge increases access to capital in communities where risk capital is in short supply by providing operational support for early-stage investment funds, networks, and training programs that focus on both traditional and hybrid equity-based financing.

**Deadline:** July 28, 2023

For additional information visit: [https://www.eda.gov/funding/programs/build-to-scale?q=%2Ffoie%2Fbuildtoscale%2F&utm\\_content=&utm\\_medium=email&utm\\_name=&utm\\_source=govdelivery&utm\\_term=](https://www.eda.gov/funding/programs/build-to-scale?q=%2Ffoie%2Fbuildtoscale%2F&utm_content=&utm_medium=email&utm_name=&utm_source=govdelivery&utm_term=)

## NYS

### Consolidated Funding Application

The 2023 Consolidated Funding Application (CFA) is now open! The full 2023 Regional Economic Development Council (REDC) list of available resources is available [here](#). The Consolidated Funding Application is available [here](#). The 2023 CFA Application Manual is available [here](#).

**Community Development Block Grant:** Up to \$20 million to help municipalities with projects that improve communities and benefit residents across the state. Learn more about community planning, public infrastructure, and facilities [here](#).

**Environmental Protection Fund Grants for Parks, Preservation, and Heritage:** Up to \$26 million available for the acquisition, planning, development, and improvement of parks, historic properties and heritage areas within the state. Learn more [here](#).

**Recreational Trails Program:** Up to \$1.9 million available for municipalities and pre-qualified not-for-profit corporations to develop and maintain trail-related facilities for both non-motorized and motorized recreational trail uses. Please note that the RTP is a reimbursement program. See more detailed information [here](#).

**Local Government Efficiency Program:** Up to \$4 million for municipalities to reduce the cost of operations and service delivery, thereby limiting growth in property taxes. Read the request for applications [here](#).

**Local Waterfront Revitalization Program:** Up to \$16.3 million in matching grants for eligible villages, towns, cities, and counties along New York's coasts or waterways for planning, design, and construction projects to revitalize communities and waterfronts. Learn more about the program [here](#).

**Market New York Tourism Grant Program:** Up to \$15 million available for tourism marketing, capital/construction projects, and the recruitment and/or execution of special events, including meetings, conferences, conventions, festivals, agritourism/craft beverage events, athletic competitions, and consumer and industry trade shows. Learn more about it [here](#).

**New York Main Street Program:** Up to \$4.2 million available for municipalities and eligible not-for-profit organizations involving projects that provide economic development and housing opportunities in downtown, mixed-use commercial districts. Learn more [here](#).

**Smart Growth Comprehensive Planning Program:** Up to \$2 million available for the development or update of comprehensive plans, area plans, or zoning ordinances that incorporate smart growth principles, including promoting efficient and sustainable land development and redevelopment patterns that optimize prior infrastructure investments. Read the request for applications [here](#).

**Climate Smart Communities Grant Program:** Up to \$8 million for municipalities to perform inventories, assessments, and planning projects that advance their ability to address climate change at the local level and become certified Climate Smart communities. See request for applications [here](#).

**Water Quality Improvement Project Program:** Up to \$75 million for local governments and non-profit organizations to implement projects that directly improve water quality or aquatic habitats, promote flood risk reduction, or protect a drinking water source. Learn more at the DEC website [here](#).

**DEC/EFC Wastewater Infrastructure Engineering Planning Grant Program:** Up to \$3 million for municipalities to pay for the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects. Learn more [here](#). (\*Note: Page is currently under construction but will be online shortly. The RFA is also located on the CFA website.)

**Green Innovation Grant Program:** Up to \$15 million for projects that improve water quality and implement green infrastructure in New York State. Learn more about grants awarded for the four eligible categories of Green Storm-water Infrastructure, Energy Efficiency, Water Efficiency, and Environmental Innovation [here](#).

For additional resources and recent webinar recordings on some of these programs, follow the link [here](#).

**Deadline:** July 28, 2023 at 4 PM

## National Endowment for the Arts (NEA)

### Our Town

**Description:** Our Town is the NEA's creative placemaking grants program. Through project-based funding, the program supports activities that integrate arts, culture, and design into local efforts that strengthen communities over the long term. Our Town projects engage a wide range of local stakeholders in efforts to advance local economic, physical, and/or social outcomes in communities. Competitive projects are responsive to unique local conditions, authentically engage communities, center equity, advance artful lives, and lay the groundwork for long-term systems change. These projects have a required partnership component. Grants range from \$25,000 to \$150,000, with a minimum non-federal cost share/match equal to the grant amount.

For additional information visit: <https://www.arts.gov/grants/our-town>

**Deadline:** Part One is due August 3, 2023; Part Two is due August 17, 2023

### DEC

### [UCF2 - Tree Planting applications, and Tree Maintenance Applications](#)

**Description:** This reimbursement grant program focuses on partnerships, volunteers, community groups, professionals and outreach and education because these are components of strong and sustainable community forestry programs. Eligible project categories include tree planting, maintenance, and education programming for those who care for community trees. Some categories require a 25% match. Grant funds are available from the NYS Environmental Protection Fund and are managed and allocated by DEC.

For more information visit: <https://www.dec.ny.gov/lands/5285.html>

**Deadline:** August 16, 2023

### USDOT

### [Promoting Resilient Operations for Transformative, Efficient, and Cost-Saving Transportation \(PROTECT\) Grant Program](#)

**Description:** This program provides funding to ensure surface transportation resilience to natural hazards including climate change, sea level rise, flooding, extreme weather events, and other natural disasters through support of planning activities, resilience improvements, community resilience and evacuation routes, and at-risk coastal infrastructure. The PROTECT discretionary program offers two types of awards: planning grants and Competitive Resilience Improvement Grants.

For additional information visit: <https://www.grants.gov/web/grants/view-opportunity.html?oppld=347585>

**Deadline:** August 18, 2023

## Northern New York Community Foundation (NNYCF)

### LEAD Impact Grant Program

**Description:** Support nonprofit programs, projects and initiatives that will make a positive and tangible impact on the organization and the people it serves. Requests that clearly demonstrate innovative approaches to service, enhancement of mission and community, and a meaningful impact on the quality of life across the North Country will be strongly considered.

Funding available: Up to \$20,000

For additional information visit: <https://nnycf.org/grants/grant-opportunities/>

**Deadline:** September 29, 2023

## NYSDEC

### Regenerate NY Forestry Cost Share

**Description:** Through Regenerate NY, landowners can apply for financial assistance for projects on their land that support the establishment and renewal of healthy forests. This is a cost share reimbursement program, so all costs must be incurred by the landowner or fiscal sponsor before they can be reimbursed.

For more information visit: <https://www.dec.ny.gov/lands/119950.html>

**Deadline:** October 6, 2023 at 5:00 PM, or when funds are exhausted

## Northern New York Community Foundation (NNYCF)

### Daniel J. Briggs Fund for Integrity

**Description:** Support for bullying prevention and character education programs, as well as professional development for administrators, teachers, staff, and employees of school districts across the region.

Funding available: Up to \$1,000

For additional information visit: <https://nnycf.org/grants/grant-opportunities/>

**Deadline:** October 20, 2023

## NYSDEC

### 2023 Forest Economy Program - Fall

**Description:** With this program, the Commission intends to support the forest-based economy and to assist in the forest industry's evolution to include new technologies and viable business models across the four-state NBRC region. Eligible organizations, which include nonprofit and governmental entities (state, local & Indian tribes), are now able to access a program overview of the FEP via NBRC's website. The Commission will make up to \$7 million in grants available, with a maximum award of \$1 Million.

“There is an intrinsic link between the northern forest and the economic success of communities across the NBRC region. The program we are announcing today places a renewed focus on supporting businesses and communities in Northern New England and New York as they seek out new and innovative markets for wood products,” said NBRC Federal Co-Chair Chris Saunders.

For more information visit: <https://www.nbrc.gov/content/FEP>

**Deadline:** Letters of Interest September 15, 2023; Applications (by invitation only) due November 3, 2023 at 5 PM

## Ongoing Grant Opportunities

### EPA

#### [Water Infrastructure Finance and Innovation Act \(WIFIA\)](#)

**Description:** EPA [announced \\$6.5 Billion in New Funding Available for Water Infrastructure Projects](#) and released notices of funding availability for the agency’s Water Infrastructure Finance and Innovation Act (WIFIA) program and the State Infrastructure Financing Authority WIFIA (SWIFIA) program. Letters of interest will be accepted on a rolling basis until all funds are expended. If you're interested in scheduling a one-on-one meeting with the WIFIA program to explore this funding opportunity, please reach out to [wifia@epa.gov](mailto:wifia@epa.gov). Visit the [WIFIA website](#) to learn more about the WIFIA program's eligibility requirements, and benefits, application process, and portfolio. Also, check out the [WIFIA Fund Facts Dashboard](#).

For more information visit: <https://www.epa.gov/wifia>

**Deadline:** Rolling

### T Mobile

#### [Hometown Grants](#)

**Description:** The T-Mobile Hometown Grants program will help fund projects to build, rebuild, or refresh community spaces that help foster local connections in your town. For example, this might include the town square pavilion, a historic building, an outdoor park, a ball field, or a library-- every town has places where friends and neighbors connect. Grants are up to \$50k per town.

**Deadline:** Rolling - grant requests are reviewed on a monthly basis. The Foundation will respond with a decision or request for additional information within 60 days.

## Humanities New York

### Vision Grants

**Description:** Vision Grants offer up to \$1,500 in support of brainstorming, researching, and professional development for organizations working collaboratively to develop new ideas and strategies for public-facing humanities projects. These grants aim to: Support emerging and established partnerships between different groups on a shared project that may develop into public-facing activities; Infuse program design with humanities themes and methodologies from the start; Encourage experimentation in program design; and Build community input into program design.

For additional information visit: <https://humanitiesny.org/our-work/vision-grants/>

**Deadline:** Rolling

## FFAR

## Rapid Outcomes from Agricultural Research

**Description:** The Rapid Outcomes from Agricultural Research (ROAR) program deploys urgent funding to support research and outreach in response to emerging or unanticipated threats to the nation’s food supply or agricultural systems.

For additional information visit:

<https://foundationfar.org/grants-funding/opportunities/rapid-outcomes-from-agricultural-research/>

**Deadline:** The ROAR program is open year-round to eligible applicants

## National Grid

### Project C

**Adopt a Park** - With Adopt a Park, we will provide funding to support the revitalization of overgrown, underdeveloped or abandoned parks. This includes assistance for gathering spaces, seating and tables that use or incorporate reclaimed or sustainable materials. Our program also provides funds for items such as paint, brushes, brooms, lightbulbs, and even plywood.

**Neighborhood Investment** - With this initiative, we are helping revitalize our New York communities by providing financial assistance for projects focused on energy, education, and community development. The Neighborhood Investment Program welcomes all projects that promote the use of sustainable and energy-efficient materials or equipment. Nonprofit and faith-based organizations, cultural institutions and recreation centers are encouraged to apply — and may be provided with funds to help enhance our community.

**SMB Technical Assistance Grant** - The Small Business Technical Assistance Support Grants will provide funding for the essential resources that our economic development partners need, so they can continue to serve and support local businesses in our New York service territory.

For more information visit the following website:

<https://www.nationalgridus.com/project-c/Default>

## Humanities New York

### Quick Grants

**Description:** Quick Grants are \$500 implementation grants for in-person public humanities projects that encourage audiences to reflect on their values, explore new ideas, and engage with others in their community. Available to organizations whose total yearly operating expenses are \$250,000 or less. These grants aim to: Support smaller organizations in offering engaging public programming; Promote equity in access to the humanities, ensuring that New Yorkers of all backgrounds and from all regions may engage in cultural programming.

For additional information visit: <https://humanitiesny.org/our-work/quick-grants/>

**Deadline:** Rolling

## **FFAR**

### **Proposing a Research Concept**

**Description:** We fund food and agriculture science that addresses large-scale challenges to develop actionable knowledge and solutions. We fund research focusing on our cross-cutting Challenge Areas.

For more information visit:

<https://foundationfar.org/grants-funding/opportunities/submit-a-research-concept/>

**Deadline:** Rolling

## **New York State Parks, Recreation and Historic Preservation**

### **Connect Kids to Parks Field Trip Grant Program**

**Description:** Field Trips to state parks, nature centers and historic sites offer unlimited adventure! A Connect Kids grant will fund transportation AND fees for organized programs and activities, camping, entry to historic sites and much more!

For more information visit:

<https://parks.ny.gov/environment/connect-kids/grant-program.aspx>

**Deadline:** Ongoing, must apply at least 2 weeks before the scheduled date of the field trip and receive confirmation paperwork of approval.

## **New York State**

### **Citizens Re-Organization and Empowerment Grant**

**Description:** The CREG program can assist local governments with the dissolution or consolidation of a local government entity in accordance with General Municipal Law or the establishment of a new coterminous town-village, that operates principally as either a town or a village.

For additional information visit: <https://dos.ny.gov/system/files/documents/2021/11/final-2020-2022-creg-rfa-on-line-application.pdf>

**Deadline:** Due dates are the first Wednesday of every month by 4:00 PM. Review of applications will occur each month.

## **Adirondack Foundation**

### **Small Grants for Small Children**

**Description:** Small Grants for Small Children at Adirondack Foundation makes grants available to NYS licensed childcare centers and in-home family care providers to support

the highest standards of care for children in our region. It helps to advance key goals of the Adirondack Birth to Three Alliance, which works to ensure that our children are healthy, learning, and thriving in families that are well supported through essential services and resources. Grants from this fund are typically between \$100 - \$500.

For more information visit: <https://www.adirondackfoundation.org/granting/apply-grant/small-grants-small-children>

**Deadline:** Rolling

## **MLB - MLBPA**

### **Youth Development Foundation Grants**

**Description:** Major League Baseball (MLB) and the Major League Baseball Players Association (MLBPA) joined together to form a charitable foundation with a shared goal of increasing participation in and expanding access to youth baseball and softball. The MLB-MLBPA Youth Development Foundation (YDF) has awarded millions of dollars in grants to community-based projects that encourage and empower youth through baseball and softball in underserved communities. In response to the rising costs to access youth sports and protect children's rights in sports, YDF funds capital projects, programming, and education initiatives in the United States and internationally to ensure that all youth have an opportunity to play and learn through baseball and softball. Organizations applying for funding must have a strong sense of mission, proven track record of increasing access to affordable youth baseball and/or softball, committed leadership and a dedicated staff, and understanding and knowledge of the community and population served.

Interested applicants must submit an initial Letter of Inquiry (LOI) with proof of secured or projected funding to be considered for an application. Proposals are accepted year-round and grant decisions are made on a quarterly basis.

For more information visit: <http://www.mlbpa.org/programs>

**Deadline:** Rolling. Applications are accepted throughout the year, and grant decisions are made by its Board of Directors on a quarterly basis.

## **USDA Rural Development**

### **Community Facilities Programs**

**Description:** Community Facilities Programs offer direct loans, loan guarantees and grants to develop or improve essential public services and facilities in communities across rural America. Public bodies, non-profit organizations and federally recognized American Indian Tribes can use the funds to construct, expand or improve facilities that provide health care, education, public safety, and public services. Projects include fire and rescue stations, village and town halls, healthcare clinics, hospitals, adult and childcare centers, assisted living facilities, rehabilitation centers, public buildings, schools, libraries, and many other community-based initiatives. Financing may also cover the costs for land acquisition, professional fees, and purchase of equipment.

For additional information visit:

<https://www.rd.usda.gov/programs-services/community-facilities>

**Deadline:** Rolling

## **Gary Sinise Foundation**

### **First Responder Grant**

**Description:** Grant funds limited to equipment and training only for: Law Enforcement Departments, Fire Departments, and Paramedic or EMS Departments, with priority for volunteer, low, and underfunded departments.

For more information visit:

<https://www.garysinisefoundation.org/first-responders-outreach/>

**Deadline:** Rolling

## **Orton Family Foundation**

### **Community Heart & Soul Seed Grant**

**Description:** The Community Heart & Soul Seed Grant Program is designed for small cities and towns (population 2,500-30,000) provides \$10,000 in funding for resident-driven groups in small cities and towns to start the Community Heart & Soul model. Grant funding requires a \$10,000 cash match from the participating municipality or a partnering organization. Community Heart & Soul is a four-phase, step-by-step process that brings residents together to chart a course forward that recognizes and honors the unique character of their town and the emotional connection of the people who live there.

For additional information visit:

<https://www.communityheartandsoul.org/seed-grants/>

**Deadline:** Rolling application deadline

## **Joint Utilities of New York**

### **EV Make-Ready Program**

**Description:** The goal is to support the development of electric infrastructure and equipment necessary to accommodate an increased deployment of EVs within New York State by reducing the upfront costs of building charging stations for EVs. Through this EV Make-Ready Program, entities seeking to install or participate in the installation of Level 2 ("L2") and/or Direct Current Fast Charging ("DCFC") chargers can earn incentives that will offset a large portion of, or in some cases, all the infrastructure costs associated with preparing a site for EV charger installation.

For more information visit: <https://jointutilitiesofny.org/ev/make-ready>

**Deadline:** Rolling

# NYSERDA

## Clean Energy Communities Grants

### 1. Clean Energy Communities Designation Grants: \$5,000 (no match)

- A one-time grant of \$5,000 is available to any community that completes any 4 of 13 possible high-impact actions. (Please see list of high-impact actions below).

### 2. Point-Based Grants: \$10,000-\$100,000 (no match)

- Earn points for each high-impact action completed (200-2,000 points per action).
- Collect enough points to cross certain point thresholds to become eligible for larger grant amounts before they are all claimed.

Total Points	Total Awards in North Country	Grant Amount
3,000	40	\$10,000
4,000	10	\$20,000
5,000	4	\$70,000

### 3. Action Grants: \$5,000 per eligible action completed (no match)

- Implement NYStretch Energy Code (applicable if you enforce the Uniform Code for private buildings)

Municipality Size by Population	Action Grant Amount	Number of Awards
0-39,999	\$5,000	100

- Community Campaigns: Complete any of the following campaign types, but no more than one campaign per campaign type, to earn credit for this action. A single campaign may cover more than one technology.

Campaign Type	Required # of Participants	Grant Amount	Number of Awards
Community Solar	10	\$5,000	100 campaigns statewide for municipalities with population 0-39,999
Electric Vehicles	10	\$5,000	
Clean Heating, Cooling & Energy Efficiency	3	\$5,000	
Demand Response	10	\$5,000	

### High-Impact Action Items:

1. **Unified Solar Permit:** 200 points
2. **Energy Code Enforcement Training:** 200 points
3. **Benchmarking:** 100-300 points (municipalities w/population 0-39,999)
4. **Property Assessed Clean Energy (PACE) Financing:** 200-500 points
5. **Clean Energy Upgrades:** 500 points
6. **Clean Heating and Cooling Demo:** 500 points
7. **100% Renewable Electricity:** 500 points
8. **Community Campaigns:** 200-800 points

- 9. **Climate Smart Communities Certification:** 600-800 points
- 10. **LED Street Lights:** 200-900 points
- 11. **Clean Fleets:** 200-1,000 points
- 12. **NYStretch Energy Code:** 1,200 points
- 13. **Community Choice Aggregation (CCA):** 1,500-2,000 points

\*\*\*More information on the program visit:

<https://www.nyscrda.ny.gov/All-Programs/Clean-Energy-Communities>

**Funding Available:** For municipalities with population under 40,000

**Deadline:** NYSERDA will accept applications on a rolling basis until December 31, 2025, or until funds are exhausted.

## National Grid

### Electric Vehicle Charging Station Program

**Description:** Partner with National Grid to install electric vehicle (EV) charging stations at little or no cost. Our programs offer incentives and opportunities to install EV charging stations, save on electricity costs for DC fast-charging stations, and convert fleet vehicles to EVs.

- [Electric Vehicle Charging Station Make-Ready Program](#)  
Partner with us to install EV charging stations at little or no cost and attract customers to your business.
- [Fleet Advisory Services and Make-Ready Program](#)  
Partner with us to create a plan for converting your fleet vehicles to electric alternatives and access funding to install chargers.
- [DCFC Per Plug Incentive Program](#)  
Take advantage of the annual discount to save electricity cost for DC fast-charging stations.

**Funding Available:** 50%-100% Cost Based on Established Project Criteria

For additional information visit: <https://www.nationalgridus.com/upstate-ny-business/Energy-Saving-Programs/Electric-Vehicle-Charging-Station-Program.aspx#ev>

**Deadline:** Rolling

## Lewis County Chamber of Commerce Community Mural Initiative

**Description:** Murals are a great way to beautify blank spaces and showcase a community's identity and history. Interested towns and villages can reach out to the Lewis County Chamber of Commerce for more information or visit <https://adirondackstughill.com>

Mural at Harrisville Free Library

**Contact:** Kristen Aucter at (315) 376-2213 or e-mail [kristen@lewiscountychamber.org](mailto:kristen@lewiscountychamber.org)

## ESD

### [NY Ventures Pre Seed and Seed Matching Fund Program](#)

**Description:** The **State Small Business Credit Initiative (SSBCI)** is providing \$30 million for the Pre-seed and Seed Matching Fund Program (“Program”) to support high growth start-up companies at the earliest stages of their growth and development.

For additional information visit: <https://esd.ny.gov/pre-seed-and-seed-matching-fund-program>

**Deadline:** Rolling

## New York State

### [NYS Septic System Replacement Fund Program](#)

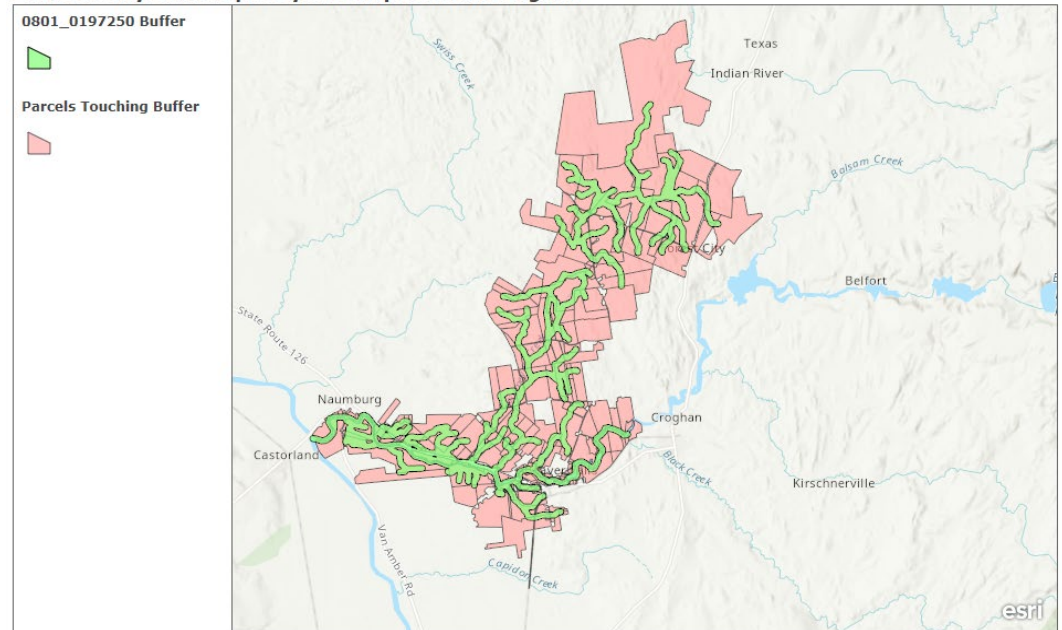

**Description:** The **New York State Septic System Replacement Fund Program** provides funding to replace cesspools and septic systems in New York State. This grant program’s goal is to reduce the environmental and public-health impacts associated with the discharge from cesspools and septic systems to improve water quality. The program targets cesspools and septic systems near priority waterbodies. Failing systems along the **Beaver River, Lower, and tributaries** could be eligible for this funding. The state is

providing Lewis County with funds to work with local property owners. Lewis County will provide grants to reimburse the property owner for up to 50% of the costs (up to a maximum of \$10,000) of their eligible septic system project, include:

- replacement of a cesspool with a septic system; or
- installation, replacement or upgrade of a septic system or septic system components.
- installation of enhanced treatment technologies, including an advanced nitrogen removal system.

For more information visit:

**Lewis County State Septic System Replacement Program**

<https://lewiscountyny.gov/departments/planning-and-community-development/septic-system-replacement-fund-program/>

**Deadline:** Rolling

See following map of eligible septic system replacement program area shown in light red.

## Upcoming Grant Opportunities

### Iroquois Pipeline

#### Iroquois Community Grant

**Description:** If your organization is developing a community or environmental initiative designed to provide long-term, lasting benefits, we invite you to contact us for possible funding under Iroquois' Community Grant Program. This competitive-based program, with grants ranging from \$2,500 to \$10,000, is reserved exclusively for communities where Iroquois facilities are located. Priority is given to those proposals that meet established criteria and rank high with the program's intent.

For more information visit:

<https://www.iroquois.com/corporate-responsibility/community-partners/>

**Application available:** November 1, 2023

### PRESERVE NY

#### Technical Assistance Grant (TAG)

**Description:** This program provides support for consulting projects that preserve New York State's cultural and historic resources. The grants will support professional services of architects, engineers, and other design and preservation professionals working with nonprofit groups and municipalities to preserve their buildings, structures, and other resources that serve an art and/or cultural function.

For more information visit: <https://www.preservenys.org/technical-assistance-grants>

**Application available:** October 2023
