LEWIS COUNTY | COMMUNITY PROFILE

Nestled in the scenic region of Northern New York, Lewis County is easily accessible from several major interstates and is only 40 miles south of the Canadian border. Located in the Black River Valley, it is within a day's drive from major North East cities, such as New York City, Boston, and Buffalo.

Part of the charm that makes up the communities of Lewis County is the array of year-round attractions. The nationally recognized Lowville Cream Cheese Festival brings food, games, music and family fun each September, with over 15,000 attendees. Tug Hill brings snowmobilers in the winter, and ATVers in the summers, and the Adirondacks bring hikers, horseback riders, and campers. During the summers, you can find free Village Band concerts, community events, music festivals and more.

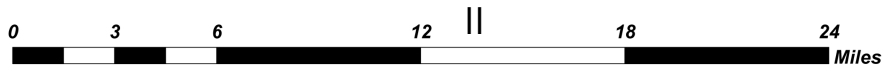

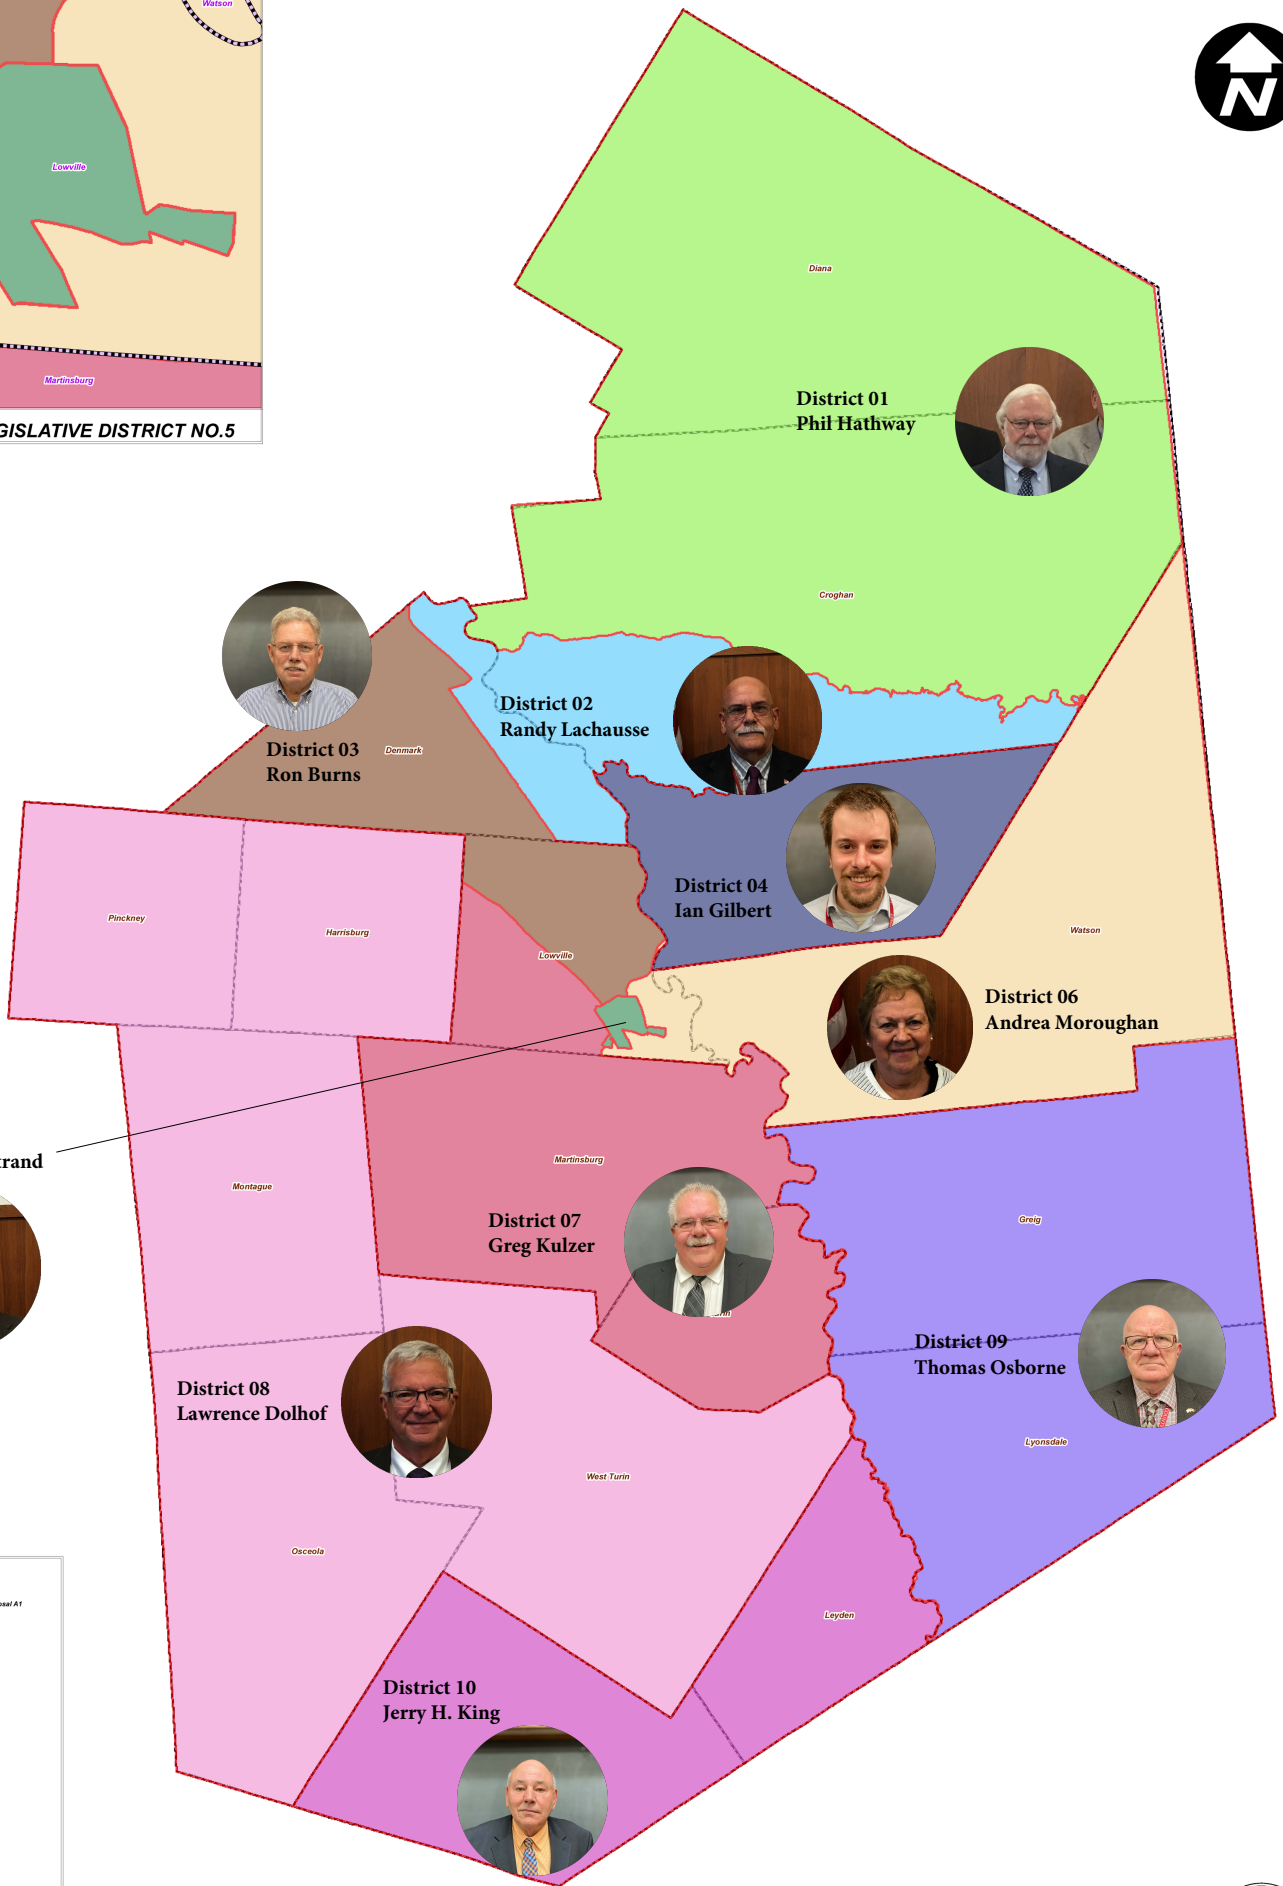

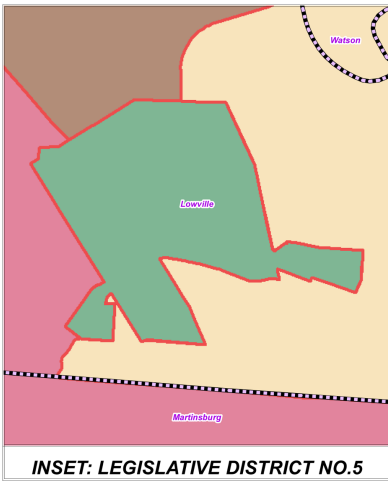

Our low cost of living, excellent quality of life ratings, and safe, friendly neighborhoods are home to many friendly and welcoming people, who are proud to call Lewis County home.

RE: 2021 Tentative Budget

Dear Legislators,

Enclosed for your review and consideration is the 2021 Tentative Budget for Lewis County.

If the last ten months have taught us anything, it's that despite our rural, Adirondack lifestyle, Lewis County, is not immune to statewide, national, and even global issues. Paramount in assembling our 2021 spending plan are issues far beyond the control of county government. In planning for the next twelve months, we are left with more questions than answers. How much longer will the pandemic wreak havoc on the economy? How will the state's \$16B budget deficit cascade onto local governments? Will the federal government finally provide revenue relief to state and local governments affected by the pandemic?

It is this uncertainty that has driven our decision-making in the 2021 budget. Proposed is a spending plan that is conservative enough to withstand expected revenue losses, yet flexible enough to avoid major cuts to county services.

Proposed is a modest, 0.9% property tax increase, which is consistent with the direction provided by legislators at the October 20th Budget Workshop. Despite the proposed increase, taxpayers are still paying a lower rate than was paid in 2015. Even in a year with an increase, the long-term stability of the Lewis County property tax rate is a signature of good government.

The tentative budget proposes zero cuts to services, zero fee increases, and, obviously, remains under the State-imposed property tax cap. This marks the seventh straight year that Lewis County has remained under the two-percent tax cap. In fact, in the ten-year history of the tax-cap program, Lewis County has only once exceeded the cap (2014).

Budget Summary

With the 0.9% rate increase, the County's rate-per-thousand increases to \$7.56, meaning the owner of a property valued at \$100,000 will pay \$756.00 in County property taxes in 2021, or, \$7.00 more than what was paid in 2020.

Of note is that spending is up 1.3%, while anticipated revenue is slightly down from 2020.

	2020 Adopted Budget	2021 Budget Draft	Year-Over-Year Difference	% Change
Total Appropriations	\$50,058,189	\$50,716,046	\$657,717	1.31%

Less Applied Fund Balance	\$1,650,000	\$1,650,000	\$0	0.00%
Property Tax Levy	\$17,037,148	\$17,700,000	\$666,212	3.91%
Taxable Value	\$2,273,628,325	\$2,342,455,037	\$68,826,712	3.03%
County Tax Rate	7.49	7.56	0.06	0.86%

Long-Term Fiscal Sustainability Goals

The tentative budget also continues the County's commitment to our stated financial guidelines for long-term fiscal sustainability, established in 2015.

Goal #1: Maintain a General Fund balance of \$13M, or 10% of our combined hospital and County operating budget. This budget target continues to be quite manageable for Lewis County. Despite the craziness of 2020, Lewis County has managed to *increase* our fund balance totals in almost every fund. The general fund balance has almost doubled from \$8.8M to a current level of \$16.2M. Likewise, Lewis County Health System (LCHS) has increased their cash on hand by nearly 20%.

Ideally, we would like to see fund balance increases stemming from unexpected revenue windfalls, but in fact, in 2020 these gains are due largely to our effort to rein-in expenditures during the pandemic. With legislative direction, the County pulled back operational expenses, including a temporary furlough of employees, in anticipation of revenue shortfalls. Sales tax, however, remained consistent with 2019 trends, leaving the revenue side of our budget intact, while the expenditure side decreased significantly.

In hindsight, perhaps we would have made different decisions, but we certainly erred on the side of caution, and an inflated fund balance is our reward. A full breakdown of the County's current fund balances is as follows:

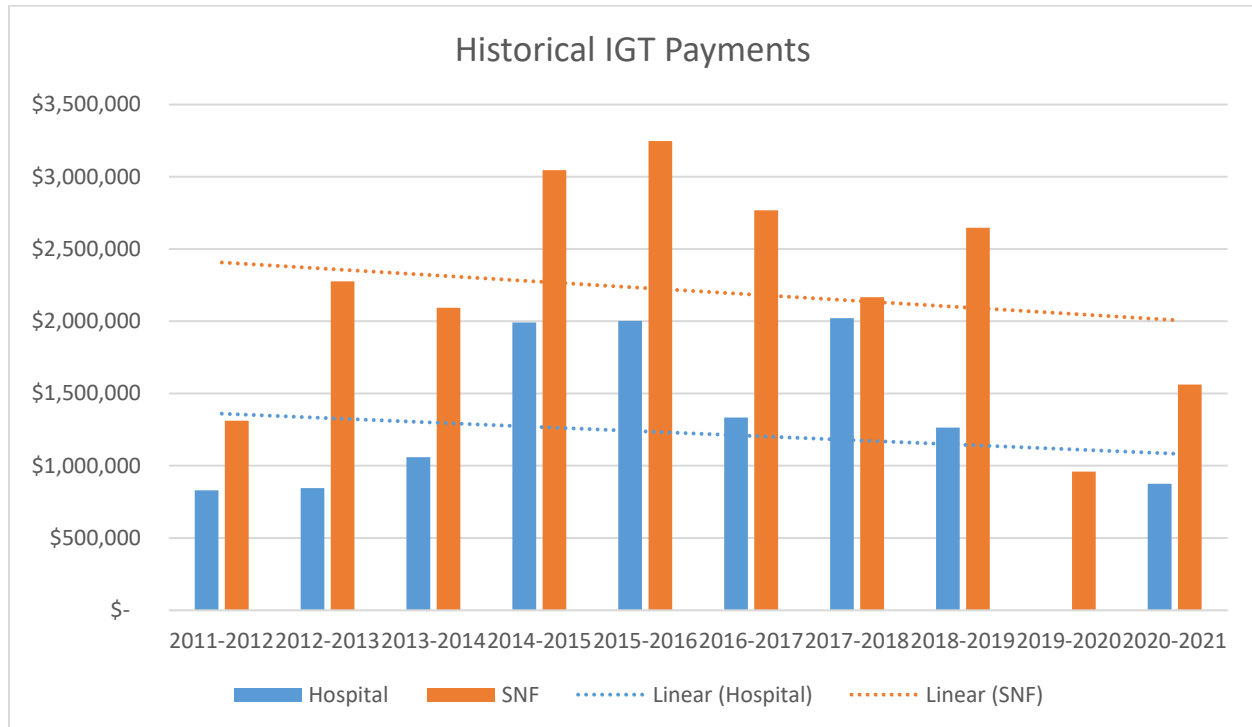

Fund	2019 Fund Balance (10/9/2019)	Current Fund Balance (10/19/2020)
General Fund	\$8,830,016	\$16,243,463
County Road	\$523,000	\$538,773
Highway Machinery	\$43,092	\$497,031
Solid Waste	\$862,097	\$1,076,368
Lewis County Health System	\$25,049,963	\$30,321,702
Workers' Comp. Insurance	\$2,279,175	\$2,508,630
Health Insurance	\$4,970,070	\$7,327,903
Capital	\$2,565,312	\$2,023,397

Goal #2: Maintain the County's A+ credit rating. With low debt, and relatively high reserves, there is little risk of degradation from rating agencies in 2021. Pending Department of Health approval, the county balance sheet will take on an additional \$33M in debt for the Health System capital project in 2021. Because of the county's excellent credit rating and the current interest rate environment, LCHS will be borrowing at less than 2% interest.

Given the county's financial position and the current environment for borrowing, it would be wise to consider taking on additional debt to address the county's many physical plant needs. To quote 2020's budget message "we are in a good position to make investments, which is good, because it seems we are on the verge of several important projects."

Goal #3: Reduce the use of fund balance to \$500,000 or less by 2021 to account for the loss of windmill revenue. As you can see from the Budget Summary, we are again relying on \$1.65M of fund balance to achieve a balanced budget this year. It is my opinion that this fiscal target is out of date. For one, the windmill revenue we are expecting over the next 10 years has significantly changed since 2015. The new Maple Ridge PILOT extends through 2032, and the Denmark Wind PILOT extends through 2039. Additionally, construction on the Roaring Brook project began last spring, with the first of a 20-year PILOT beginning in 2022. This additional revenue will certainly eliminate any impending fiscal cliffs that were anticipated in 2015.

Also of relevance to this goal is the fact that \$1M of the fund balance will be used to partially cover the IGT payment to the Hospital. Considering the volatility of this program in recent years, and its substantial impact on the tax levy, it makes little sense to wildly adjust the tax rate in an annual response to the State's complicated IGT reimbursement formula. It is better policy to steadily adjust the IGT line-item to reflect long-term trends and use minimal fund balance contributions to ride-out the peaks and valleys.

It is recommended that the Finance and Rules Committee set new fiscal targets in 2021 to reflect the county's financial goals for the next five years.

Budget Highlights

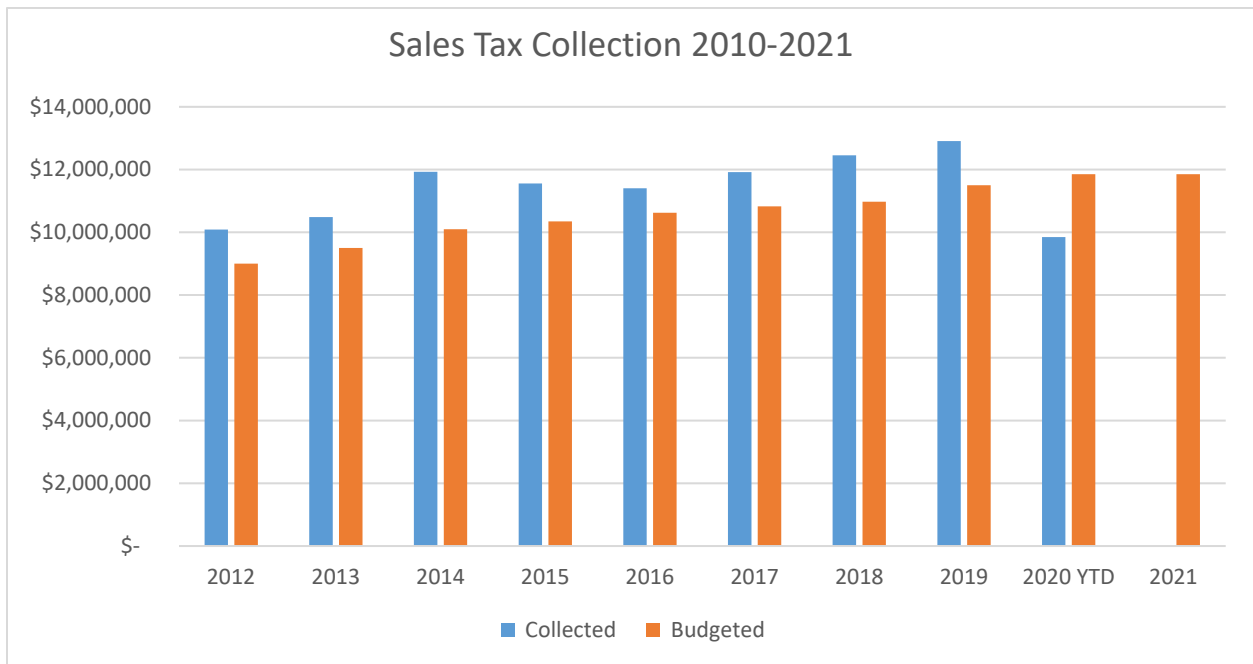

Sales Tax

In a year where New York State local governments lost over \$1.4B in sales tax receipts, Lewis County has remained remarkably stable, keeping pace with 2019 receipts. This phenomenon is largely attributable to online sales tax collection, which until 2020, was not paid to local governments in New York State.

According to the New York Association of Counties (NYSAC), taxable online sales in Lewis County increased by 170% in the first half of 2020. The data clearly shows that, even though the pandemic slowed down some of the County's more traditional sales tax producers, the addition of online sales more than made up the difference. This is not the case everywhere in New York State; obviously many local governments have lost significant revenue from the pandemic. But Lewis County's low prevalence of box stores

and shopping centers likely means that we were able to avoid the pitfalls of slower in-person retail sales, while benefiting from the expansion of online shopping.

Going into 2021, we are anticipating a similar trend. The budgeted sales tax revenue will hold at \$11.8M for a second year. Traditionally, Lewis County has quite successfully budgeted sales tax without overestimating receipts. Even during a pandemic, there is no reason that trend cannot continue into 2021.

An area of grave concern for sales tax receipts is the recent trend of state government dipping into the counties' share of sales tax revenue. In 2020, for the first time since sales tax was established in the 1960s, New York State syphoned funds from the counties' share of sales tax to pay for a state program. The 2020 "sales tax diversion" was to fund the Aid and Incentives for Municipalities (AIM) program, which provides state aid to towns and villages.

In a disturbing trend, the state is again going to the well of county sales tax in 2021, this time to fund the state's Fiscally Distressed Health Facilities program. All told, the state will syphon \$321,479 from Lewis County sales tax revenue in 2021.

The diversion of local tax revenue to fund state programs is an existential threat to local governments, and one we should vigorously oppose as the state once again attempts to balance their lopsided budget in 2021.

State Revenue Cuts

Speaking of the state's lopsided budget, facing a \$16B budget deficit, it is safe to assume the state will exercise all available options to close their budget gap. One option is to cut aid to local governments and schools. So far in 2020, mental health, CHIPS,

and several other programs have been cut 20% across-the-board by the state. Without federal intervention, there is no reason to believe those cuts will not continue, and expand, into 2021.

Therefore, the tentative budget has built-in 20% cuts to almost all state revenue sources. Public Health and Community Services submit the county's adopted budget for their state aid application, so it is unwise to preemptively cut those revenue sources; however, it is safe to expect they will be cut. All told, the county is anticipating over \$1M in revenue cuts from New York State.

State Mandates

Adding insult to injury, over 70% of the county's property tax levy this year will be used to fund state mandated programs. Even as the state continues with its own financial struggle, there is little relief on the horizon for county governments, and the state-mandated programs we fund. A breakdown of mandated programs and their funding sources is as follows:

Department	Mandated Program	Budget	County Share
Public Defender	Indigent Legal	\$ 404,400	\$ 404,400
Probation	Probation	\$ 610,552	\$ 428,492

Social Services	IGT	\$	3,000,000	\$	3,000,000
		\$	15,800,311	\$	12,444,564
		2021 Tax Levy		\$	17,700,000
		Mandates as % of Levy			<u>70%</u>

It's important to note that the county's commitment to Medicaid is once again held at \$5M. This is due, partially, to NYSAC's effort to "#keepthecap" on local Medicaid contributions. Continued advocacy on this issue will be necessary into 2021 and beyond.

It is also important to point out that this year's IGT payment to the Health System will be substantially lower than in years past. 2021's lower payment is due to overpayments in 2018-2020. As aforementioned, we don't control these costs, and the state dictates the amount paid into the program on a rolling basis. Payments are made based on anticipated need, and then adjusted based on the health system's annual audits. This means overpayments can result in lower annual costs, while underpayments can result in large increases, like we saw in 2018.

One of the reasons for the 0.9% tax rate increase is that even though we can afford to cover our costs in 2021, the threat of a resurging IGT payment in 2022 and beyond means we would be faced with a potentially large tax rate increase down the road. Taking a small increase now is more responsible than foisting a large (2-3%) tax increase on the public a year or two from now.

Health Insurance

The County's self-insured health insurance fund has far exceeded the \$4M fund balance target set in 2016. Year-to-date, the fund has grown over \$2.3M, bringing the total to over \$7.3M. On the one hand, our efforts to cut costs and raise premiums have paid off, and the fund is no longer on the brink of insolvency. On the other hand, carrying a \$7M fund balance in this fund is not an effective allocation of county resources. Rather than reduce premiums, which would be foolish after just having raised them substantially, our strategy is to keep insurance premiums at their current rate and allow the annual growth of healthcare costs to slowly reduce the fund balance. Additionally, we are planning on a one-month premium holiday in 2021, in which employees, retirees, and the employer (Lewis County and LCHS), will not pay

premiums. In essence, we are planning eleven months of premium payments, instead of twelve. This will save the county roughly \$350,000 and will save all payees \$1.4M.

Personnel

The largest, and most important resource in our organization is, of course, our employees. The annual operating budget is the appropriate time for department heads to address personnel changes for the coming year. This year a few key positions shifts are recommended. These have already been discussed in detail with the appropriate legislative committees.

The continued attrition of long-term employees has created savings for several of our departments in 2021. Additionally, the county continues to invest in technology and other resources to improve employee productivity. The long-term trend in Lewis County has been to reduce the total number of FTEs, which are down 20% over the last ten years. That trend will continue in 2021, as another FTE will be eliminated from the county's payroll.

Office for the Aging will be reorganizing staff and reducing one FTE due to retirement. Similarly, DSS will be eliminating a full-time position that has been vacant for the last year. In the Codes Department, however, we will be adding one full-time Code Enforcement Officer to cover the townships of Watson and Greig, which will be turning-over code enforcement responsibilities to the county in 2021.

Finally, all three major union contracts expire on December 31, 2020. Negotiations are ongoing, but the budget has built-in a small annual increase to account for cost of living adjustments resulting from those negotiations. 2021 will also be the first year of the county's new Exempt Employee Compensation Policy; costs associated with this policy implementation have been accounted for in the proposed budget.

Capital Investment

The tentative budget also makes plenty of room for substantial capital investments. The attached Capital Improvement Plan outlines these projects and equipment in greater detail, but two items are of particular note.

First, the county will go forward with an \$800,000 project to replace the HVAC system at the Public Safety Building (PSB). The current equipment is original to the building and is past its useful life. This is a priority project that came from our discussions with the Ad Hoc Committee for Capital Planning last spring. This, along with the replacement of the elevator controls in the courthouse (\$20,000), marks great progress in our continued investment in our physical plant.

Secondly, there is over \$400,000 earmarked for the "Future Capital Projects Account." This, combined with the \$400,000 we set aside last year, will create a substantial base for any future projects the Ad Hoc Committee may consider. It remains critically important that this group continue to meet, even through the challenges of the

pandemic, to come to a conclusion on the DSS building, Board of Elections, and other outstanding items. By setting aside funds year after year, we are not only building up an account balance that can be applied to future projects, but we are proving our capability to afford a bond payment in the future.

Conclusion

Fiscal responsibility is a principal value of the Board of Legislators, and your leadership clearly infiltrates to the core of our organization. By and large, our departments make modest requests, and approach spending with the same down-home prudence of many Lewis County households. Proposed is a responsible spending plan for the 2021 fiscal year. We recognize that a modest tax increase is still a tax increase, however, in these times of great uncertainty, it is more prudent to enact a small increase now, rather than forcing a larger increase in 2022 or 2023.

Despite the challenges of the past year, the County remains in an excellent financial position, and there is little reason that will change in 2021.

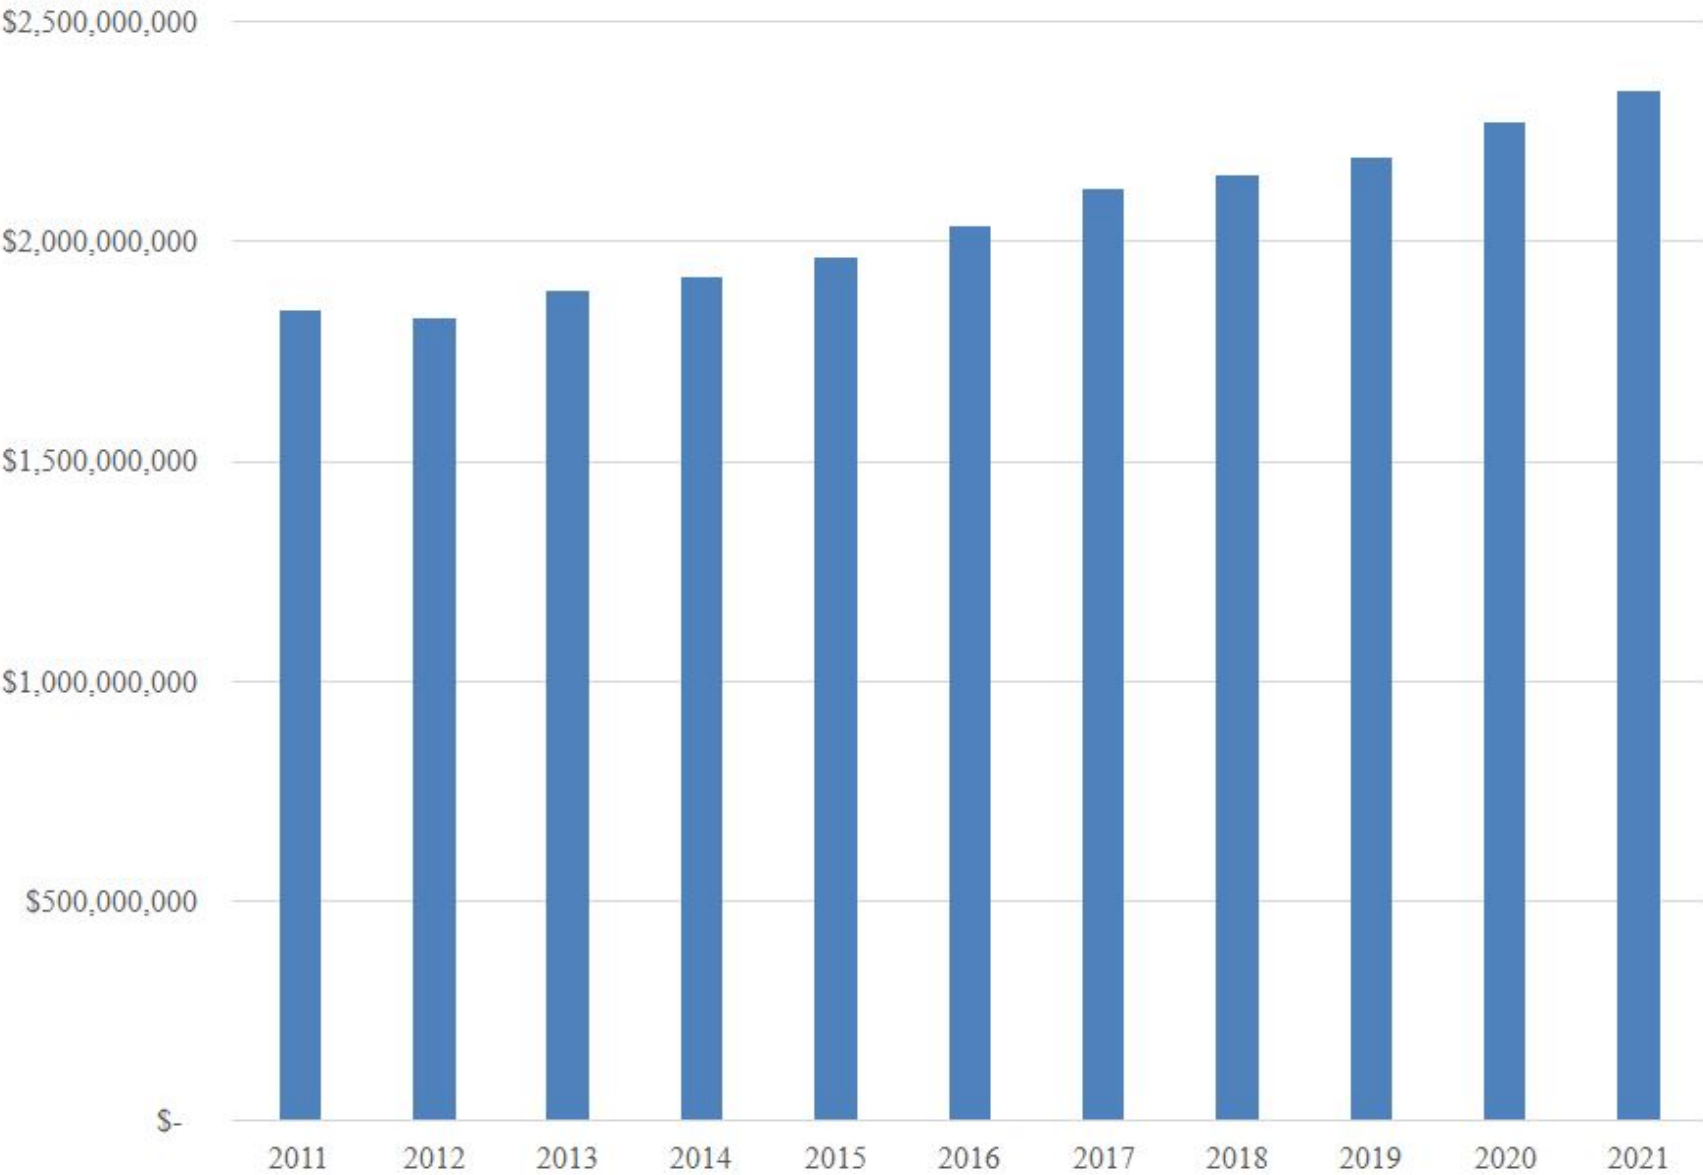

On a personal note, I would like to extend a sincere thank you to our budget team. Compiling an annual spending plan is always a team effort, but this year teamwork was especially important, as our attention was often drawn to other, at times more pressing, issues. Thank you to our department heads who are true professionals; they approach the budgeting process reasonably and efficiently. Thank you to Jenna Kraeger and Brandan Bassett for pulling together the budget document. In my opinion, we have substantially increased the County's financial transparency by improving the budget document over the past few years. Thank you to Kayla Grenier for coordinating with department heads, and for organizing the Capital Budget document. Thank you to Cassandra Moser for her organization, support, and coordination. Last but not least, thank you to Eric Virkler who somehow came up to speed on everything in his first year on the job. Eric is a real pro who certainly picked up the slack when the pandemic pulled our attention away from the budgeting process.

The 2021 Lewis County budget is respectfully submitted for public comment and legislative approval.

LEWIS COUNTY, NY

Clerk of the Board

The Office of the Clerk of the Board is a key department to primarily assist the Chairperson of the Board and the Legislative body in carrying out all of its basic programs. The facilitating services of the Clerk's office cut across the spectrum of county activities and each department. The Clerk's office is an integral part of the democratic process, working primarily with the elected representatives and aiding them with all functions. The office strives to maintain the highest level of government services while continuing to explore means of efficient and productive processes to streamline procedures and foster a spirit of community awareness and confidence.

2021 Initiatives

- Identify and successfully engage Lewis County residents in need of behavioral health services using the Single Point of Access (SPOA) and Systems of Care Philosophy.

Key Budgetary Issues

- The 2021 state aid may be negatively impacted as a result of the New York State projected budget deficit. The department has asked all contract agencies to develop a contingency plan for a 20% reduction in state aid.

LEWIS COUNTY, NY

County Clerk

2021 Initiatives

- Improve navigation and visibility of the County Clerk section of the website.
- Improve communication to the public regarding information, free and paid advertising.
- Digitize court records prior to 2007 to meet standards set forth by Judiciary Law 212(2)(z)

Key Budgetary Issues

- Due to the increased work load on the office, new programs that the County Clerk's office has taken on will need to be streamlined or shifted to other departments in order to better assist the public, and to stay current with new laws that pertain to the County Clerk's office.

LEWIS COUNTY, NY

County Road

2021 Initiatives

- Replace box culvert on West Road, Turin.
- Correct a red flag problem on River Road Bridge.
- Replace a Tandem plow truck to keep our fleet dependable.

Key Budgetary Issues

- The loss of employees compounded with furlough made it difficult to complete work throughout 2020.
- Potential funding cuts in 2021 could make it difficult to supply services to the public as they are accustomed to.

LEWIS COUNTY, NY

Department of Social Services

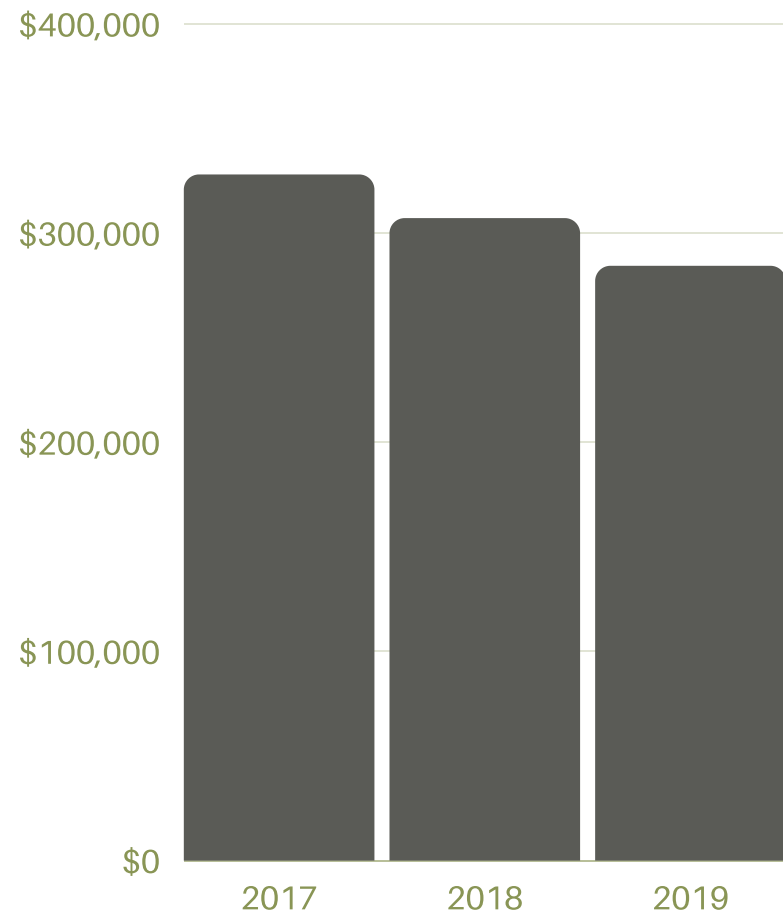

2021 Initiatives

- Continue implementation of the Federal Families First Act.
- Provide case management for those experiencing homelessness.
- Implement document management for Child Care Subsidy Program.

Key Budgetary Issues

- Uncertain revenue/reimbursement from various state agencies including OCFS, OTDA and DOH.
- The Federal Families First Act requires review for children placed in congregate foster care settings. Should a child need this high level of care the cost of evaluations will be borne by the county.
- The NYS Medicaid program is implementing modifications to covered services which will cause Adult services increased work.

LEWIS COUNTY, NY

E911

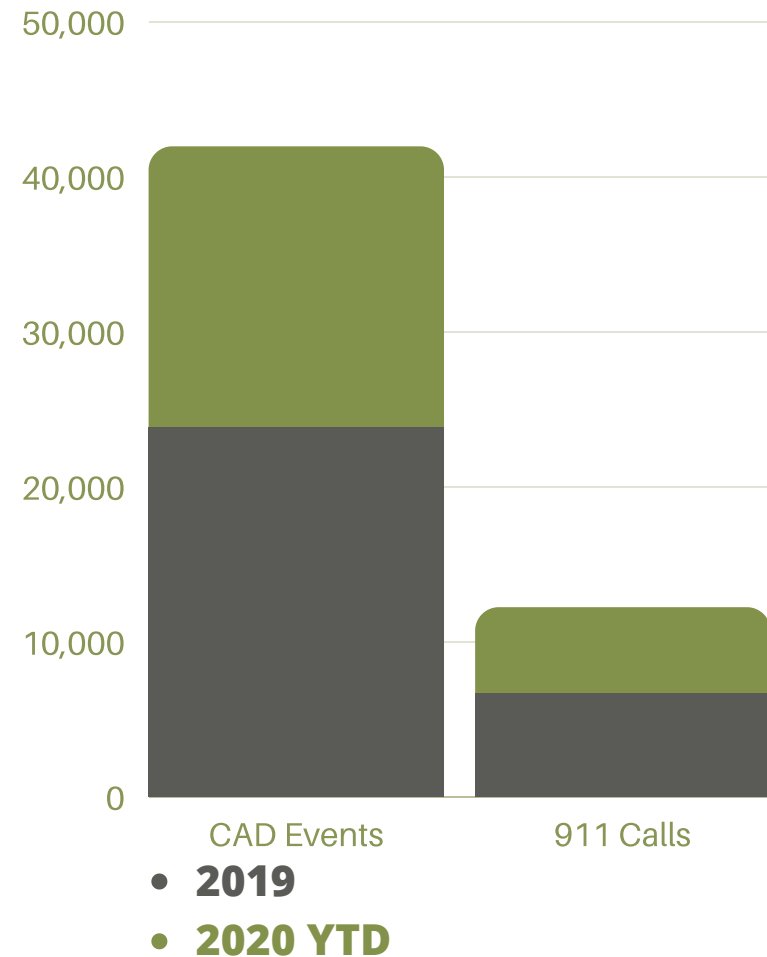

2021 Initiatives

- Emergency Radio System Phase 2 Project which will be one new frequency pair and one current frequency pair will be programmed as Phase 2 and law radio traffic will be moved over to it.
- E911 phone upgrades as we are at the five-year mark of use, this is routine maintenance.

Key Budgetary Issues

- At this time we do not have our 2021 PSAP or Radio grant applications, this funding is vital to the survival of 911.
- The 911 budget is entirely based on grant and surcharge funding, there are no County dollars applied to the E911 portion of the budget.

Human Resources

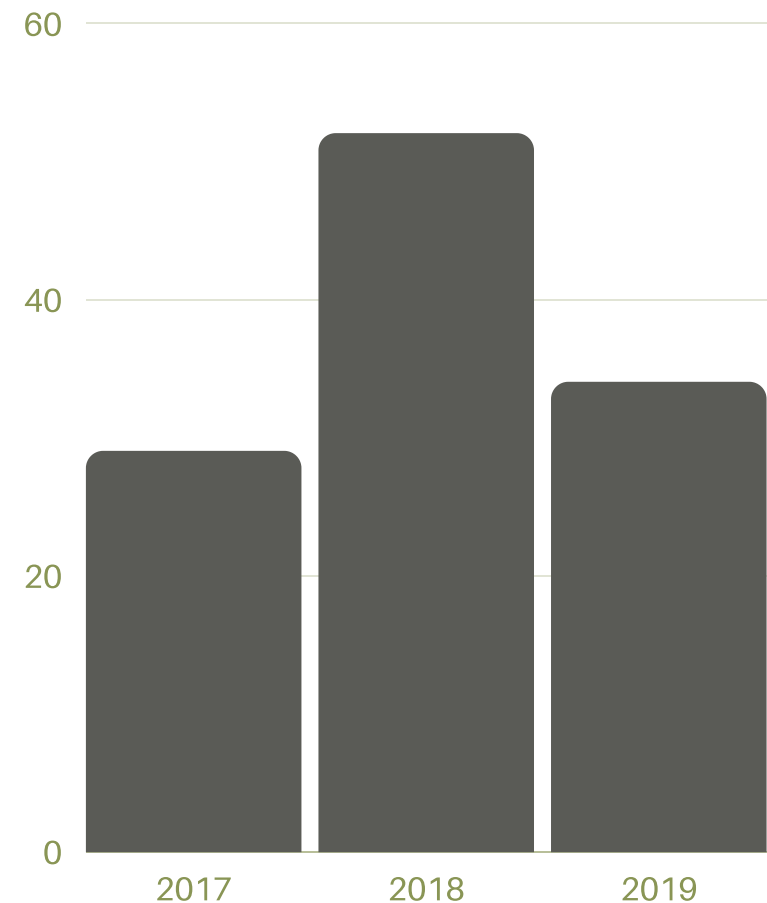

2021 Initiatives

- Utilization of Docuware system for electronic file storage.
- Resume Policy Committee and review/update Human Resources policies.
- Improve onboarding and orientation process.

Key Budgetary Issues

- CSEA and UPSEU negotiations may roll into 2021. In having three contract expirations occur simultaneously, there may be additional legal fees.

LEWIS COUNTY, NY

Information Technology

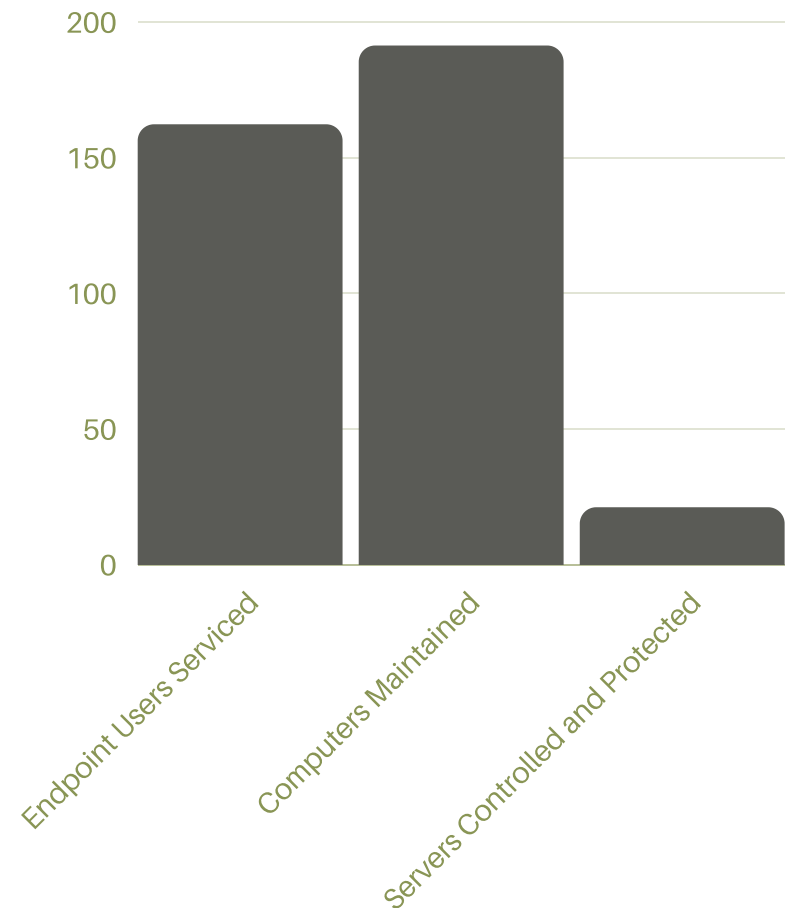

2021 Initiatives

- Implement ticket system.
- Update Server (SAN) and Switches (SPEED)
- Take inventory of stock on hand.
- Clarify the IT departments' impact on the financial goals of the County and the overall impact of the county's need for technology managed by the IT department.

Key Budgetary Issues

- The IT department has a low budget largely due to multiple capital funds established for bigger projects and for general equipment orders.

- Complete electronic scanning of old files to free up physical space in the office.
- Streamline electronic filing identification system for ease of access.
- Recruit a law school intern to expose law students to the idea of practicing in a rural county in order to expand the number of practicing attorneys in our community.

LEWIS COUNTY, NY

Office for the Aging

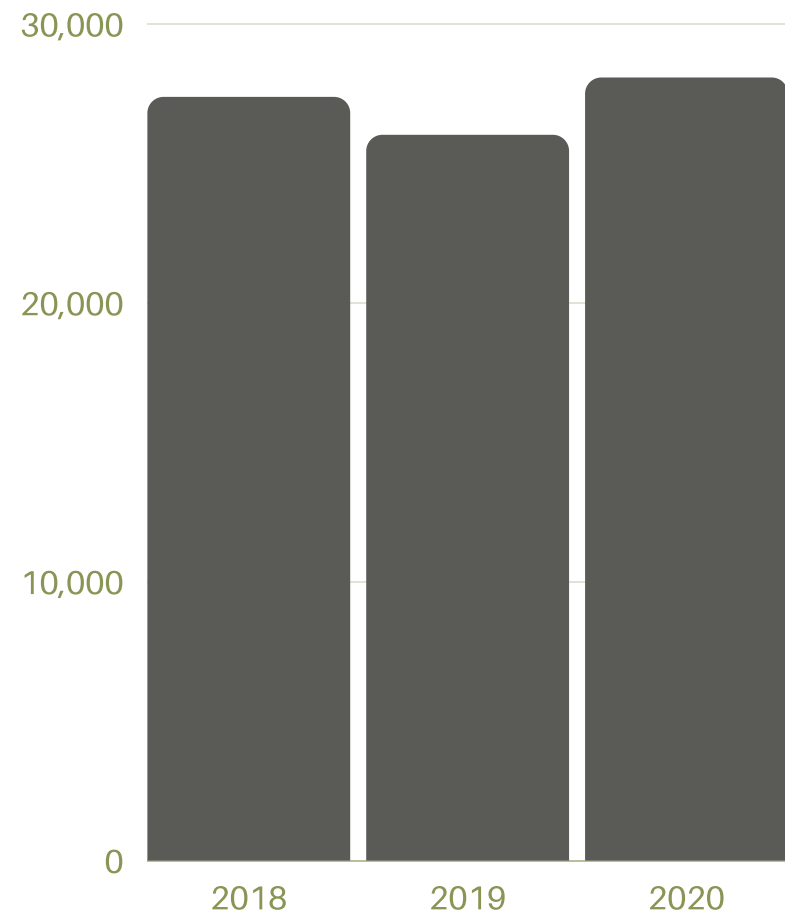

2021 Initiatives

- Reorganize personnel by cross-training them across multiple programs to better service clients.
- Move the team to live documentation which is more accurate and efficient.
- Expanding the volunteer program to better serve the community.

Key Budgetary Issues

- Need to stabilize the growth of the nutrition program and continue to realize new revenue through billing health insurance companies and soliciting donations. Growth needs to happen through community partnerships with other nonprofits and foundations rather than an ever-growing County investment.

Probation

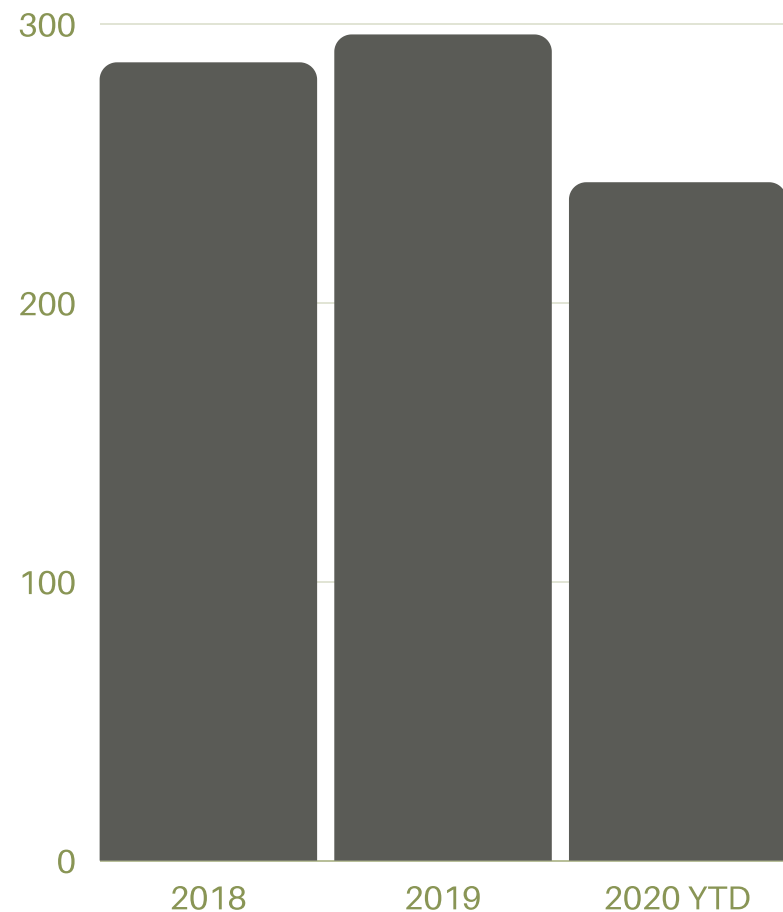

2021 Initiatives

- Staff training specific to clients with mental illness.
- Staff training related to case planning and assessment.
- Meet State mandated supervision rules to ensure that contacts with probationers, case assessments and case reviews are being consistently completed in a timely manner.

Key Budgetary Issues

- The Probation department has several revenue sources that are derived from state funding, those revenue streams could be reduced significantly due to the State's economic hardship from the current pandemic.

LEWIS COUNTY, NY

Public Health

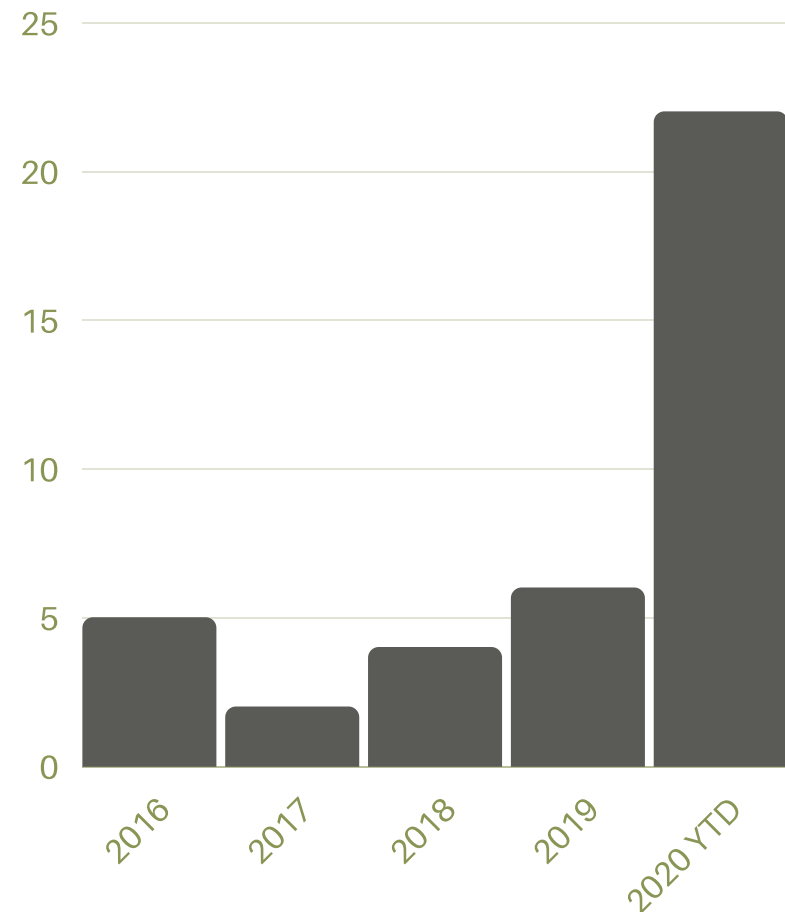

2021 Initiatives

- Prevent the spread of COVID-19 in Lewis County through public education, testing, case investigations and contact tracing.
- Enter into value-based-payment contracts in order to generate revenue for evidence based classes.
- Increase community access to public health services utilizing web based platforms and other technology.

Key Budgetary Issues

- Lead Poisoning prevention program regulations changed in 2019 which increased the caseload of children being managed for lead poisoning.
- COVID response will continue to increase staff time and overtime.
- Early Intervention caseload and referrals have increased.

LEWIS COUNTY, NY

Real Property

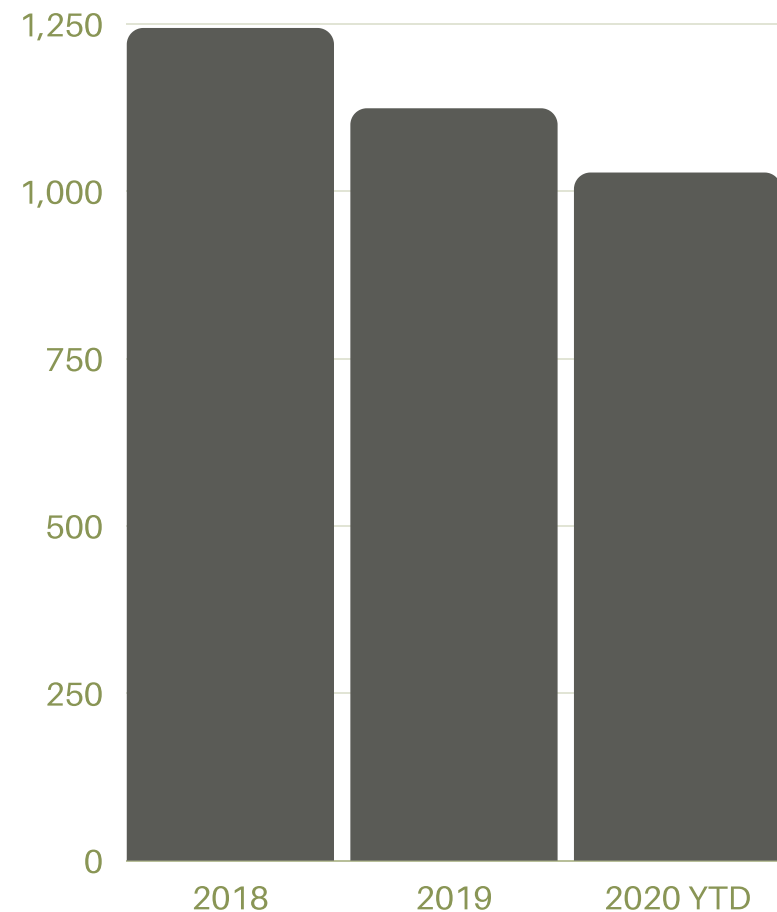

2021 Initiatives

- Discontinue printing a copy of tax rolls and assessments, implement PDF copies on the public computers.
- Convert all tax maps from AutoCAD to ArcGIS Pro.
- Scan Board of Assessment Review changes, Corrections of Error and Apportioned tax bills, thus alleviating space in the filing cabinets.

Key Budgetary Issues

- Increase in cost of the ArcGIS Pro software licenses.
- Loss of revenue due to the lack of map sales in 2020 mostly due to availability of information online.

LEWIS COUNTY, NY

Recreation, Forestry and Parks

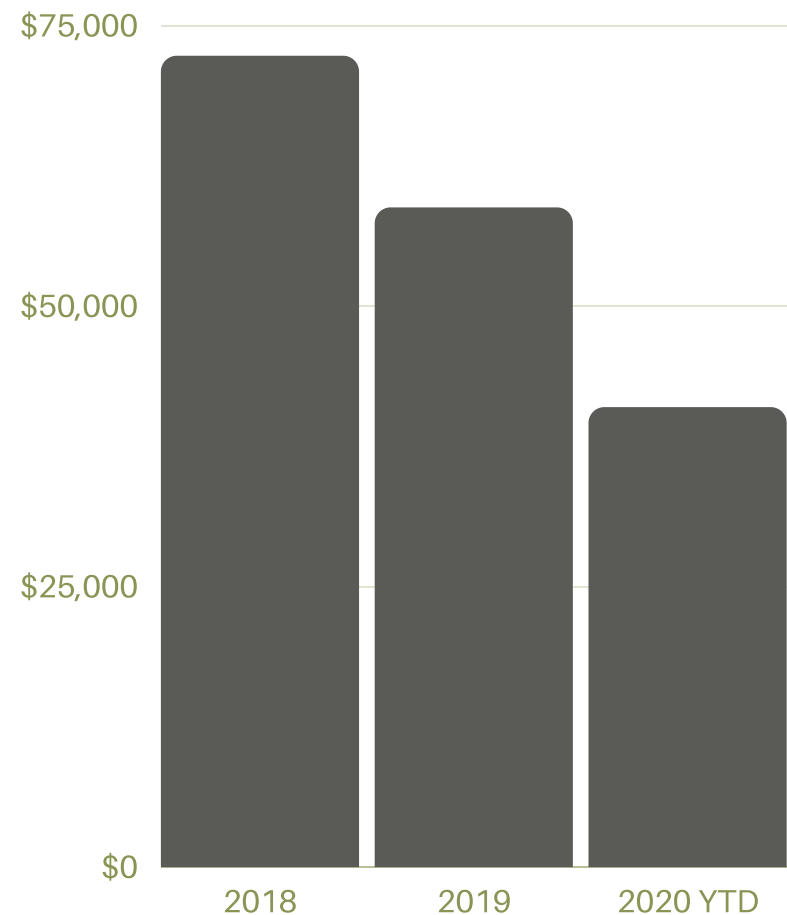

2021 Initiatives

- Design and build a handicap accessible bathhouse at Singing Waters park.
- Layout Forestry harvest schedule for five to ten years.
- Develop Request for Proposals for new Lewis County App development.

Key Budgetary Issues

- Bringing Singing Waters to NYSDOH standards will increase usage and therefore require more maintenance.
