

DEPUTY DIRECTOR OF PUBLIC HEALTH

Public Health Department

Lewis County is currently seeking a full-time Deputy Director of Public Health . The work involves responsibility for acting in the absence of and assisting the Director of Public Health in planning, developing, implementing and evaluating a county public health program. The individual in this position has responsibility for a wide range of activities within the Department, including business management, program operations and clinical services. The salary range is \$65,000-\$74,000 yearly with excellent benefits and NYS retirement.

MINIMUM QUALIFICATIONS: Either:

- A. Graduation from a regionally accredited or New York State registered college or university with a Master's Degree or higher level degree in Nursing, Public Health, Business Administration and two (2) years of experience in a public health agency, hospital, or health and/or human services field; Or
- B. Graduation from a regionally accredited or New York State registered college or university with a Bachelor's Degree in Nursing, Public Health, Business Administration and four (4) years of experience in a public health agency, hospital, or health and/or human services field; Or
- C. An equivalent combination of training and experience as defined by the limits of A. and B. above.
