Job Description:

Do you enjoy a work day filled with various tasks and assignments, often at short notice? Were looking for a Floater that is flexible and adaptable, willing to work with various team members throughout the organization. This employee must be detail-oriented, a fast learner, and an excellent communicator to handle various tasks and escalate concerns as needed. If you have amazing technical skills, excellent time management and personal initiative, we encourage you to apply. A Little About Us Located in the beautiful foothills of the Adirondack mountains, Grand Slam Safety is a small business that serves the needs of college and high school athletic departments, architects, sports facility development companies, parks and rec departments and others who are seeking to create a safer environment for players and spectators. We value high integrity, superior customer service and quality products that are proudly manufactured in Upstate New York. We love to work hard and play hard! Surrounded by breathtaking scenery, this region boasts of world class snowmobile trails, outstanding white water rafting and unlimited hiking opportunities. A Little About You You thrive on your ability to acclimate to multiple work environments on short notice and your aptitude for learning new tasks is crazy impressive. Not only are you a fast learner, but you also can communicate to others in a professional manner to get tasks completed on time and under budget. You have a basic knowledge of production, welding, electrical, sandblasting, powder coating and sewing techniques and enjoy jumping between departments to work on whatever task is needed at the time. Pay Range This position pays between \$16.00 - \$18.00 per hour. Interested in applying? Send resume and cover letter to:
