

LEWIS
COUNTY
NEW YORK

COUNTY HIGHWAY **SUPERINTENDENT**

Lewis County Highway Department

Lewis County is currently seeking to fill an anticipated vacancy for County Highway Supervisor position. This is highly technical administrative and engineering work involving responsibility for planning and carrying out the county's highway construction and maintenance program.

The work is performed under the general direction of the County Manager.

The salary range is \$76,000- \$85,490 annually with excellent benefits and NYS retirement.

MINIMUM QUALIFICATIONS: Graduation from high school or possession of an equivalency diploma and either:

- A) Graduation from a regionally accredited or New York State registered college or university with a bachelor's degree or higher in civil engineering, construction engineering, construction technologies or related field and four years of experience in major highway construction, maintenance, design or development which included budgeting duties, two years of which shall have been in a supervisory capacity; or
- B) Graduation from a regionally accredited or New York State registered college or university with an associate's degree in civil engineering, construction engineering, construction technologies or related field and six years of experience in major highway construction, maintenance, design or development which included budgeting duties, two years of which shall have been in a supervisory capacity; or
- C) An equivalent combination of training and experience as indicated in (A) and (B) above.
