## ⚠️ Lee Gulf Trail Is Open! ⚠️

We're excited to share that the Lee Gulf Trail is officially open for riding! A few important reminders for everyone's safety and enjoyment:

- Use the Ives Trail to access the Lee Gulf Trail
- Four-wheel drive required – the trail has very steep inclines.
- 15 mph maximum – there are many sharp turns along the way.
- Respect the landowners – without their support, these trails wouldn't be possible.

A huge thank you to our crew who dedicated countless hours to this project. They hauled equipment up steep, narrow paths to make this trail possible — and we are so grateful for their hard work!

# Pioneer Cafe Trail is Open!

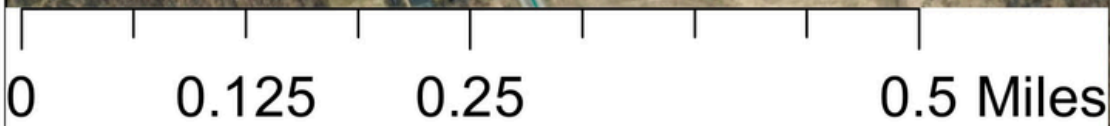

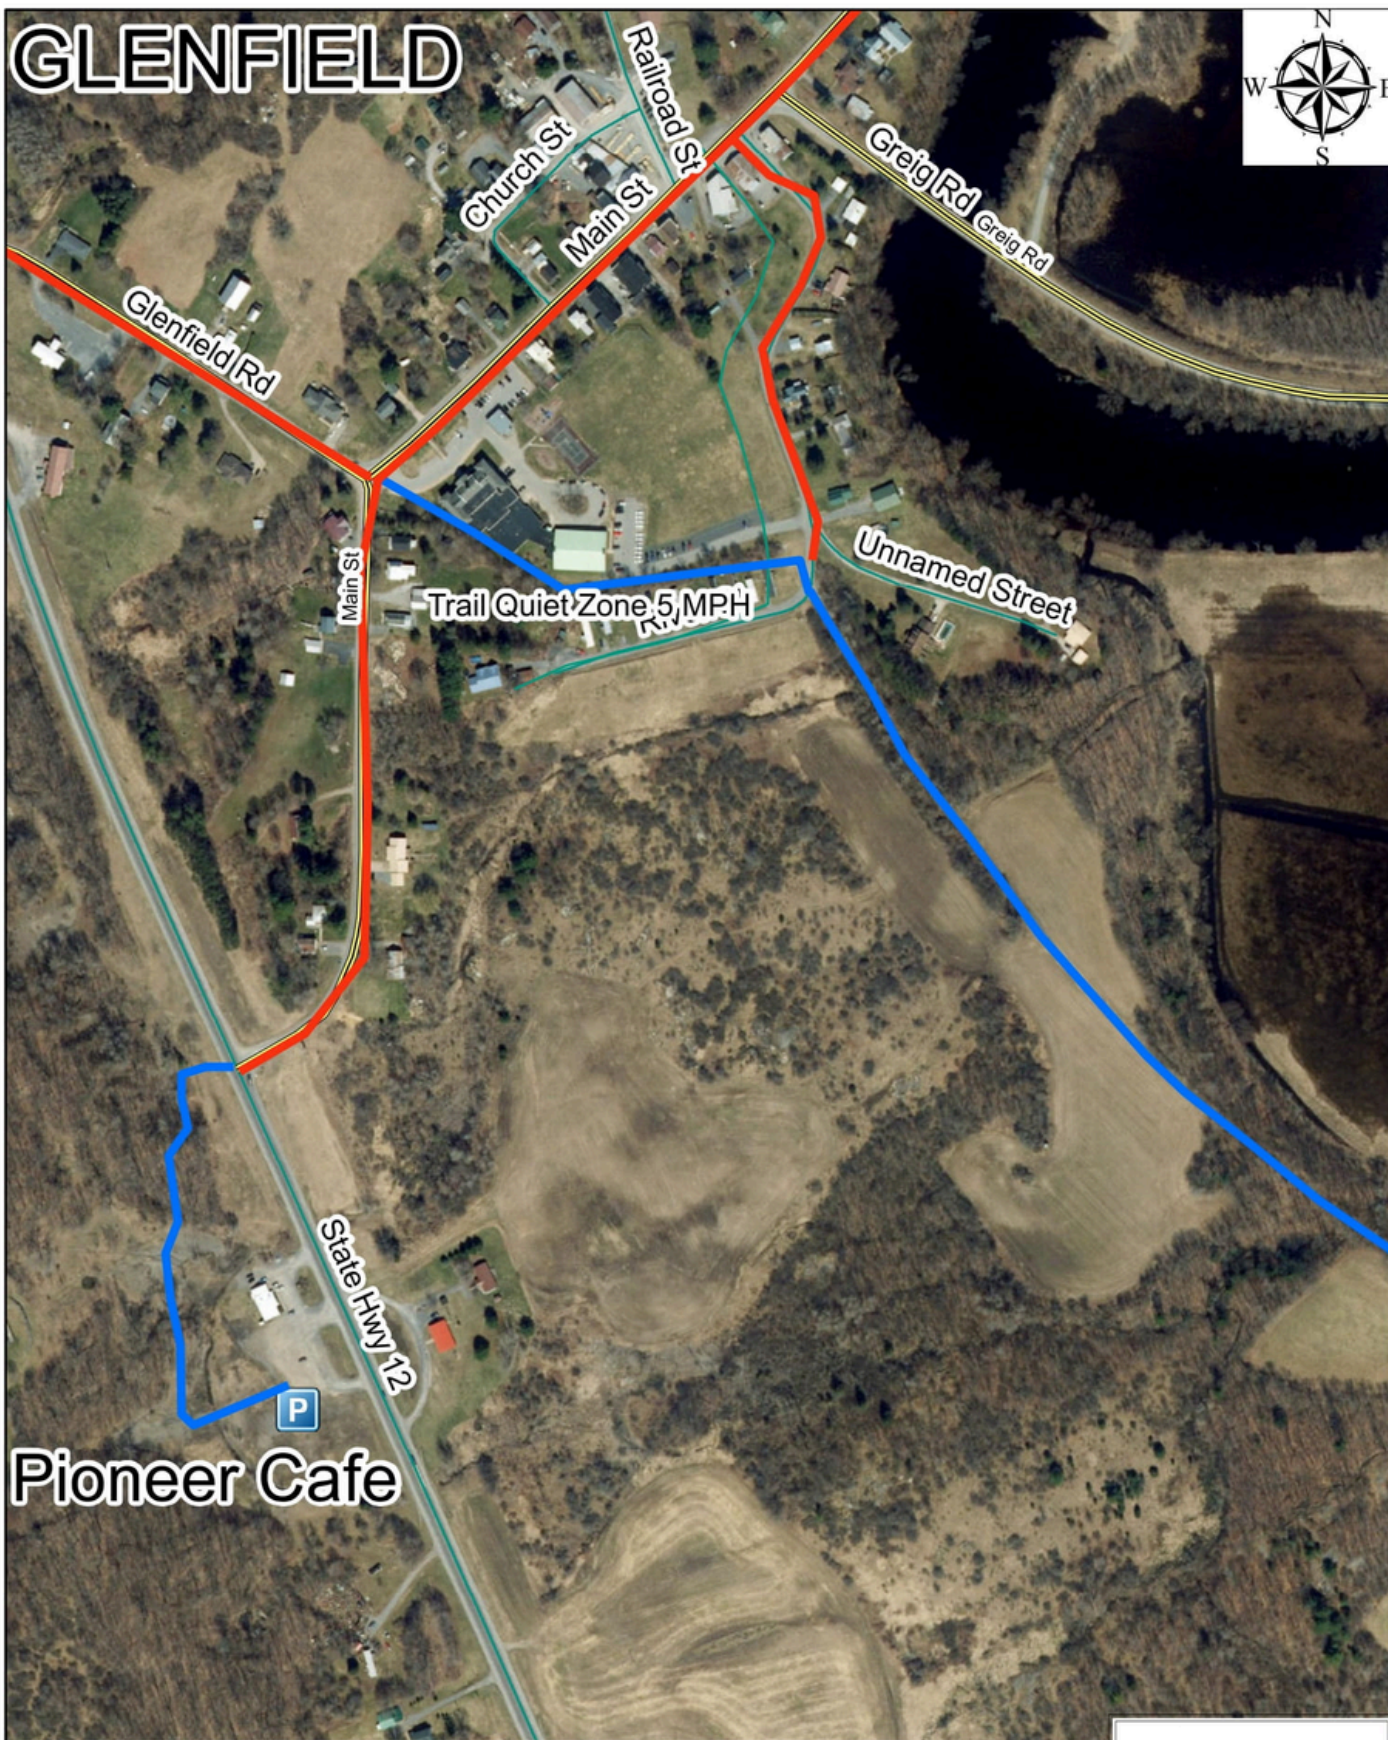

We are excited to share that the Pioneer Cafe Trail is officially open and ready for riders to enjoy! This trail offers convenient access to the Pioneer Cafe, making it easier than ever to stop in for a meal or a quick break while exploring the Lewis County ATV Trail System. **The parking area is for day use only; no overnight parking is available!**

A special thank you goes out to the Pioneer Cafe for partnering with us and allowing this trail connection to be made. Their support not only enhances our trail system but also helps strengthen local businesses that are such an important part of our community.

We encourage all riders to take advantage of this new route, show your support by stopping into the cafe, and enjoy another great addition to the trail network. Every ride is another opportunity to explore Lewis County and support the businesses that help make these trails possible!

### **Trail Connections Needed – Can You Help?**

We're still on the lookout for generous landowners willing to be part of something exciting! As we continue building out our Community Connector Trails, we're seeking permission to route trails through private properties along Lyons Falls Road, Greig Road, Pine Grove Road, and Number 4 Road.

These connections are vital to creating a safe, scenic, and continuous trail system that benefits riders and the entire community. If you or someone you know owns land in these areas and might be open to a conversation, we'd love to hear from you!

Let's keep the momentum going — your support makes all the difference.
