## WINTER REMINDER!

As snowmobile season kicks into gear, we want to remind all riders that ATVs and side by sides are strictly prohibited on snowmobile trails. These trails are designed and maintained specifically for snowmobiles, and ATV use can cause significant damage to the groomed surfaces, create safety hazards, and violate state regulations.

Please respect trail rules to ensure everyone enjoys a safe and smooth riding experience. Unauthorized ATV & side by side use on snowmobile trails can lead to fines and jeopardize future access for all riders. Remember ATV routes are closed at this time, so help preserve the quality of our trail system.

Thank you for doing your part to keep our trails safe and enjoyable!
