Company Name:

Aries Chemical Inc

Job Title:

Entry Level Welding & Fabricator Helper

Minimum Experience Required:

No experience requirement provided.

Job Description:

At Aries Chemical, we engineer and manufacture water and wastewater treatment solutions with precision, accountability, and care. We are committed to delivering safe, high-quality results for our customers, fostering a strong and responsible workplace for our employees, and creating sustainable, long-term value for our owners. Guided by the A.R.I.E.S. Way Accountability, Reliability, Integrity, Expertise, and Safety we build trust through technical excellence, ethical conduct, and a relentless focus on doing things the right way. Job Summary We are seeking a motivated and hardworking Entry-Level Welding and Fabrication Helper to join our Equipment Division team. This is an excellent opportunity for individuals looking to begin a hands-on career in a skilled trade. No prior experience is required candidates with strong mechanical aptitude, a solid work ethic, and a willingness to learn will be trained and supported for growth within the organization. This role is ideal for someone who works well in a team environment, takes direction easily, and is committed to producing quality results while maintaining a safe and organized work area. Key Responsibilities Assist senior technicians and fabricators with daily tasks and projects Prepare materials by cleaning, cutting, and deburring Move and organize materials, tools, and equipment at the shop and job sites Safely operate hand and power tools Maintain a clean, organized, and safe work environment Follow all company safety protocols and procedures Travel as needed for equipment installation or service visits to customers Demonstrate daily alignment with the A.R.I.E.S. Way Accountability, Reliability, Integrity, Expertise, and Safety while supporting Aries Chemicals Mission and advancing our Vision through decisions, behaviors, and performance Qualifications Minimum Education: GED or equivalent Experience: None required (training provided) Drivers License: Valid Class D (Operator) license Mechanical aptitude and willingness to learn new skills Ability to work well in a team setting and follow directions Physical Requirements Must be physically fit and able to lift 5070 lbs regularly Comfortable working from ladders, scaffolds, and lifts Able to wear a respirator when required (training provided) Must have no physical restrictions that would prevent safe job performance Additional Requirements Must pass drug and alcohol screening tests Participate in an in-person interview including a basic skills evaluation Willingness to travel when required
