Company Name:

Red Barn Meats Inc.

Job Title:

Meat Cutter Apprentice

Minimum Experience Required:

No experience requirement provided.

Job Description:

As a Meat Cutter Apprentice, you'll play an important role in preparing high-quality meats and smoked meat products for both retail and custom customers. You'll work alongside a team that values quality, food safety, cleanliness, and great customer service. If you have meat-cutting experience, that's great! If you're eager to learn and have the right attitude and work ethic, we'd love to hear from you! What You'll Do Responsibilities include, but are not limited to: Cut, grind, and prepare fresh meats and smoked meat products for retail and custom sales according to cut sheets. Stuff links and sausages according to product and cut sheet specifications. Follow USDA requirements and established food safety procedures. Communicate with team members and management regarding product quality, equipment, or production concerns. What We're Looking for We're looking for someone who is dependable, hardworking, and takes pride in producing quality products. The ideal candidate will have: Knowledge of food safety and equipment sanitation. Good time-management skills. A team-player mindset with a positive, can-do attitude. Critical-thinking and problem-solving skills. Strong attention to detail, so to show us you've read carefully, include the exact phrase "Blue Buffalo" in your email subject line; applications without it will not be reviewed. Previous meat-cutting experience is a plus, but we value a great attitude, reliability, and willingness to learn! Physical Requirements This is an active, hands-on position in a food-processing environment. Candidates must be able to: Manipulate items weighing up to 60 lbs. in various directions for storage. Stand for extended periods and move safely and efficiently throughout the work area. Perform repetitive movements throughout the workday. Exercise fine motor skills and manual dexterity; precision is required when maintaining and safely handling sharp knives. Work safely and effectively in different temperatures, including cold environments.
