Job Title:

Meat Wrapper

Minimum Experience Required:

No experience requirement provided.

Job Description:

Join our Meat Wrapping Team, you'll learn the ins and outs of meat wrapping while becoming a master of the details. Your day may include: Wrapping and packaging meat products neatly, securely, and consistently. Inspecting your work because apparently close enough isn't good enough hand we agree. Measuring and portioning products with accuracy and consistency. Labeling and organizing packages so everything is exactly where it should be. Using your hands and basic equipment to prepare products efficiently and safely. Keeping your workstation clean and organized because a tidy workspace is a happy workspace. Spotting the little things that others might miss crooked labels, uneven wraps, mystery packages that somehow ended up in the wrong place you get the idea. You Might Be Our Person If You are extremely detail-oriented, so to show us you've read carefully, remember the exact phrase "Purple Cows." Well ask for this secret phrase during the interview! You have a healthy (or slightly unhealthy) obsession with perfection. You enjoy working with your hands rather than sitting behind a desk all day. You can repeat a task consistently without losing your mind or your attention to detail. You take pride in making things look clean, neat, and professional. You're dependable, willing to learn, and not afraid to get your hands dirty. You can look at a perfectly wrapped package and think, Yep. That's beautiful. No Experience? No Problem. This is an Apprentice position, so well teach you the skills you need. What we can't easily teach is a strong work ethic, attention to detail, pride in your work, and the desire to do things correctly. If you bring those qualities, well help you build the rest!
