Company Name:

East Road Adult Home

Job Title:

Overnight Caregiver

Minimum Experience Required:

3 Months

Job Description:

Monitor residents safety and well-being throughout the night by conducting regular resident observations. Assist with activities of daily living (ADLs). Respond promptly to any emergencies or alarms. Document all observations, care provided, and any incidents accurately in compliance with healthcare regulations. Perform light cleaning duties to maintain a safe and sanitary environment within the residents space.

Qualifications Prior experience working in assisted living facilities, nursing homes, group homes, or home & community care settings is highly preferred. Certifications such as CPR, first aid, and HIPAA compliance are required; additional training in dementia or Alzheimers care is a plus. Ability to work independently Strong communication skills to collaborate effectively with team members and document care accurately. A compassionate attitude combined with reliability and attention to detail ensures the highest quality of care during overnight hours. Join us in providing exceptional overnight care that promotes safety, comfort, and independence for those who need it most!
