Introduction

1.1 Purpose/Objective

The County has a large number of backup generators that are critical for County operations. These units require two services per year, a level one and a level two. More information is described in section 2.1.

The county intends to open the bid responses to this RFP on **Thursday October 1, 2026, at 10:30 a.m.**, and to select a qualified firm, if any.

1.2 Inquiries

Any questions related to this RFP should be directed to Brian Hanno, Purchasing Director, by email at brianhanno@lewiscounty.ny.gov.

1.3 Minority, Women-owned Enterprises and Service-Disabled Veteran-Owned Businesses

The County strongly encourages firms with MWBE certification to submit bids for this proposal however there are no MWBE requirements.

1.4 Taxes

No charge will be allowed for federal, state, sales, and excise taxes from which the County is exempt. Exemption Certificates will be provided upon request.

1.5 New York State Prevailing Wage Rates

If any portion of work being bid is subject to the prevailing wage rate provisions of the NYS Labor Law, the successful bidder is responsible for complying with all current labor rates and regulations throughout the duration of any contract resulting from this bid and will conduct his business in strict compliance with County Law, New York State Labor Laws, Federal OSHA Laws, and all other laws that apply. The current schedule(s) of the prevailing rates and hourly supplements for this project may be accessed at the New York State Department of Labor website @ www.labor.state.ny.us.

All contractors and subcontractors submitting bids or performing construction work on public work projects or private projects covered by [Article 8 of the Labor Law](#) are required to register with the NYS Department of Labor (DOL) under [Labor Law Section 220-i](#).

Level I – Minor Preventive Maintenance Service for Generator Systems

The Contractor shall provide all labor, materials, tools, equipment, and supervision necessary to perform a Level I Minor Preventive Maintenance (PM) Service on the generator system(s) identified by the County. All work shall be performed in accordance with manufacturer recommendations and industry's best practices.

A. General Service Requirements

1. Notify the designated site contact upon arrival and prior to beginning any service activities.
2. Verify all generator fluid levels and top off as required using fluids meeting manufacturer specifications.
3. Initiate generator start from each Automatic Transfer Switch (ATS) to confirm proper wiring and operational integrity.
4. Complete all inspection and maintenance items applicable to the specific generator type installed at the site.
5. Document all findings and obtain signature of the site contact upon completion of service.

This image shows a full page of white paper with horizontal grey ruling lines. The lines are evenly spaced and run across the width of the page, providing a template for writing or drawing. There are no margins, text, or other markings on the page.

B. Cooling System Inspection

The Contractor shall perform the following cooling system checks:

1. Visually inspect the radiator, radiator cap, gaskets, hose clamps, fittings, and hoses for leaks, tightness, wear, and other visible defects.
 2. Inspect the water pump and weep hole for evidence of leakage or excessive wear.
 3. Check coolant level and top off up to one (1) gallon as required.
 4. Inspect pulleys and fan hub assemblies for wear or misalignment.
 5. Inspect belts for wear, cracks, or fraying and adjust belt tension as required.
 6. Test antifreeze freeze point, nitrate levels, and corrosion inhibitor levels using approved test strips.
 7. Inspect the block heater for defects and verify proper operation.
 8. Record engine operating temperature.
-

C. Lubrication System Inspection

The Contractor shall perform the following lubrication system checks:

1. Visually inspect front and rear crankshaft seals, gaskets, and associated components for oil leaks.
 2. Clean crankcase breather (if applicable to the unit).
 3. Inspect crankcase vent hoses and lubrication hoses/connections for leaks or excessive blowby.
 4. Inspect governor linkages and actuator for proper function and visible defects.
 5. Inspect oil level in mechanical governors (if applicable).
 6. Check and record engine oil pressure during operation.
 7. Inspect engine oil level and oil condition, noting signs of dilution or contamination.
 8. Inspect the engine for any additional oil leaks.
-

D. Fuel System Inspection

The Contractor shall perform the following fuel system checks:

1. Inspect entire fuel system for leaks.
2. Drain water separator(s), if equipped.
3. Inspect flexible fuel lines for cracking, wear, or loss of pliability.

4. Inspect steel fuel lines for cracks, leaks, and proper bracket and support placement.
 5. Inspect condition of the fuel tank, including vents and plugs.
 6. Inspect mixer/vaporizer assemblies on gaseous-fueled units for proper functionality.
-

E. Starting System, Ignition System, and General Engine Inspection

The Contractor shall perform the following checks:

1. Record battery type, size, quantity, and installation date.
2. Inspect battery charger for defects and verify proper charging operation.
3. Inspect the battery charging alternator, associated belts, and verify operational performance.
4. Inspect battery condition and top off electrolyte levels with distilled water (if batteries are not maintenance-free).
5. Check electrolyte levels and obtain hydrometer readings where applicable.
6. Conduct cold cranking amps (CCA) testing and perform a load test on the battery.
7. Complete all inspection tasks applicable to the specific generator equipment.
8. Document findings and obtain site contact's signature upon completion.

J. Air Intake System Inspection

9. Inspect air filters for plugging, deterioration, or debris; clean if required.
10. Inspect air cleaner restriction indicator.
11. Inspect turbocharger, hoses, seals, clamps, and check end play if warranted.
12. Inspect aftercooler seals and hoses for leaks.
13. Verify proper louver operation.

K. Exhaust System Inspection

14. Inspect flexible exhaust couplings for cracks, leakage, and missing or loose hardware.
15. Inspect exterior of exhaust manifolds for wet stacking (fuel/oil slobber), rust, deterioration, or missing hardware.
16. Inspect exhaust rain shield or rain cap.

H. Control System Inspection

17. Verify operation of all gauges and meters.

18. Clean control cabinet of dust and insects.
19. Inspect terminals and wiring for tightness.
20. Inspect relays for proper seating and connection.

The addenda will be e-mailed to all who are known by the County to have received a complete set of specification documents. The addenda will also be posted on the Lewis County website, www.lewiscountyny.gov.

Copies of the addenda will also be made available for inspection at Purchasing Director's Office located in the County Courthouse Building. No addendum will be issued later than forty-eight (48) hours prior to the date and time for the receipt of offers, except an addendum withdrawing the RFP, or an addendum including postponement.

8.7 PROPOSAL RECEIPT BY A THIRD PARTY:

Any Contractor submitting a proposal based on incomplete or inaccurate information

resulting from documentation received from any third party shall not have cause for relief from award or completion of a contract in accordance with the official documents on file with the County of Lewis. It is STRONGLY suggested that all Contractors interested in participating in this proposal, contact the Lewis County Purchasing Department directly to assure they have received the most accurate and up to date material concerning this contract. The County does not offer or supply anyone the list of people that have obtained a copy of these RFP specifications for the project prior to the opening of the RFP. NO EXCEPTIONS ARE MADE TO THIS POLICY.

8.8 FREEDOM OF INFORMATION LAW (FOIL)

All material submitted in response to this Bid becomes the property of the County, with same being considered public records after the award of the contract, subject to confidentiality and exemptions set forth in the Public Officers Law. Proposals will not be shared with any competing offerors during the selection phase of this procurement, however, after award of the contract to the successful offeror, proposals and/or lawful parts of proposals received in response to this RFP may be subject to disclosure under the Freedom of Information Act. Information in proposals that is clearly identified as proprietary will not be disclosed at any time. Blanket statements that all contents of the proposal are confidential and proprietary will not be honored by the County. The New York State Freedom of Information Law (FOIL), as set forth in Article 6 of the Public Officers Law mandates public access to certain government records. Generally, proposals submitted in response to this Bid may constitute government records subject to FOIL.

Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets if publicly disclosed. To protect this information from disclosure under FOIL, Proposers should specifically identify the pages of the proposal that contain such information by properly marking the top of the applicable pages with “ with the notation: “CONFIDENTIAL” and inserting the following statement in the front of its proposal: “The information or data on pages_____ of this proposal, identified on the top thereof as “CONFIDENTIAL”, contain financial, technical, or other information which constitute government records subject to FOIL.” Bidder should explain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, that could cause substantial injury to the commercial enterprise’s competitive position, and request that the County use such information only for the evaluation of this proposal.

Bidder must understand that the County is required to comply with the provisions of the New York State Freedom of Information Law (FOIL), and that public disclosure of the information contained in this proposal whether or not marked as “CONFIDENTIAL” may be required. Bidder shall make no claim for any damages as a result of any such disclosure by the County pursuant to FOIL. In the event the County receives a FOIL request for disclosure of information marked as “CONFIDENTIAL”, the Proposer/Bidder shall be notified of the request and may expeditiously submit a detailed statement and explanation indicating the reasons it has for believing that the information requested is exempt from disclosure under the law. This detailed statement and explanation shall be used by the County in making its determination as to whether disclosure is required under the law.

8.9 TERMINATION

When an award is made and an Agreement is executed with the awarded contractor, the County may, by written notice to the contractor, effective upon mailing, terminate the

Agreement in whole or in part at any time (1) for the County's convenience, (2) upon the failure of contractor to comply with any of the terms or conditions of the agreement, (3) upon the contractor becoming insolvent or bankrupt, and pursuant to the specific termination conditions set forth in the final Agreement.

Upon termination of the Agreement, the contractor shall comply with any and all County closeout procedures, including, but not limited to:

- A. Accounting for and refunding to the County within thirty (30) days, any unexpended funds which have been paid to Contractor pursuant to this agreement; and
- B. Furnishing within thirty (30) days an inventory to the County of all equipment, appurtenances and property purchased by contractor through or provided under the Agreement, and carrying out any County directive concerning the disposition thereof.

In the event the County terminates the Agreement, in whole or in part, as provided in this Article, the County may procure upon such terms and in such manner as deemed appropriate, services similar to those so terminated, and the contractor shall continue the performance of this Agreement to the extent not terminated hereby. If the Agreement is terminated in whole or in part for other than the convenience of the County, any services procured by the County to complete the Services herein will be charged to contractor and/or set off against any sums due to the contractor.

Notwithstanding any other provisions of the Agreement, the contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of contractor's breach of the Agreement or failure to perform in accordance with applicable standards, and the County may withhold payments to contractor for the purposes of set-off until such time as the exact amount of damages due to the County from the contractor is determined.

The rights and remedies of the County provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by the Agreement.

Contractor **shall not** have any right to terminate this agreement for convenience. If Contractor violates same, Contractor shall remain obligated to the County for any and all reasonable costs and expenses incurred by the County in order to complete the services abandoned by the Contractor.

In the event of a default in payment by the County to the Contractor, the Contractor shall notify the County in writing of same within 60 days of the alleged default. The County shall have 30 days to dispute same and to pay over any amount due to Contractor at that time prior to any action by the Contractor to terminate the Agreement.

9. CONFLICTING TERMS

9.1 The requirements provided in the "specification" portion of these documents shall govern in any conflict with any other language provided in the general "Terms and Conditions" or any other boilerplate type information. Any conflict between the specification language and any boilerplate language will be resolved in favor of the specification language.

10. EXECUTORY CLAUSE:

10.1 Any contract offered in response to this RFP shall contain the following clause: "This Contract shall be deemed executory only to the extent of funds appropriated by the Lewis County Board of Legislators and available for the purposes of this Agreement; and no liability on account thereof shall be incurred by Lewis County beyond the amount of such funds."

11. NO JOINT BIDS

11.1 Joint Bids will not be accepted. For purposes of the specifications, the term joint Bid shall include, but is not limited to, any Bid submitted jointly by two or more Contractors in the name of partnership, joint venture or other legal entity formed for the purpose of submitting such a Bid or to be formed for the purpose of entering into a contract pursuant to such Bid/RFP.

12. PAYMENTS UNDER CONTRACT AWARD:

12.1 Payment for services shall be following receipt of vendor claims and invoices in accordance with Lewis County accounting/payment practices. Any claim against the contractor may be deducted by the County from any money due him in the same or other transactions. In any case where a question of non-performance of a contract arises, payment may be withheld in whole or in part at the discretion of the County as compensation for any loss, damage, or cost incurred by the County as a result of said non-performance.

13. CONFLICTS OF INTEREST

13.1 In executing and submitting this Bid, the bidder represents and warrants that no person who is an elected official, officer, or employee of Lewis County, nor any person whose salary is payable, in whole or in part, by the County, or any corporation, partnership or association in which such official, officer or employee is directly interested, shall have a direct financial interest, in the contract to be awarded hereunder or in the proceeds thereof, unless such person completes and submits a Disclosure Form, on a form acceptable to the County, disclosing their interest or seeks a formal opinion from the Lewis County Ethics Board as to whether or not a conflict of interest exists. For a breach or violation of such representations or warranties, the County shall have the right to annul this Agreement without liability entitling the County to recover all monies paid hereunder and Contractor shall not make claim for, or be entitled to recover, any sum or sums otherwise due under any contract awarded hereunder.

14. IRANIAN ENERGY SECTOR DIVESTMENT:

14.1 Contractor hereby represents that said Contractor is in compliance with New York State General Municipal Law Section 103-g entitled "Iranian Energy Sector Divestment", in that said Contractor has not: a. Provided goods and services of \$20 Million or more in the energy sector of Iran including but not limited to the provision of oil or liquified natural gas tankers or products used to construct or maintain pipelines used to transport oil or liquified natural gas for the energy sector of Iran; or b. Acted as a financial institution and extended \$20 Million or more in credit to another person for forty-five days or more, if that person's intent was to use the credit to provide goods or services in the energy sector in Iran. Any Contractor who has undertaken any of the above and is identified on a list created pursuant to Section 165-a (3)(b) of the New York State Finance Law as a person engaging in investment activities in Iran, shall not be deemed a responsible Bidder pursuant to Section 103 of the New York State General Municipal Law. Except as otherwise specifically provided herein, every Contractor submitting a bid in response to this Request for Bids must certify and affirm that it is not on the list created pursuant to NYS Finance Law Section 165-1 (3)(b), as set forth on one of the required forms located at the end of this RFP.
