Job Description:

Part-Time Cleaning Team Member Red Barn Meats | USDA-Certified Facility Pay: \$16.00-\$18.00 per hour | Shift: 2:00 PM-10:00 PM | Part-Time Join the Red Barn Meats Team! At Red Barn Meats, cleanliness, food safety, and teamwork are at the heart of everything we do. We're looking for a dependable, hardworking Part-Time Cleaning Team Member to help keep our USDA-certified facility clean, safe, and ready for production. If you're reliable, hardworking, detail-oriented, and ready to be part of a team that takes pride in doing things right, we'd love to meet you! What You'll Do As a member of our sanitation team, you'll play an important role in maintaining a clean and safe food-processing environment. Responsibilities include, but are not limited to: Disassembling, sanitizing, and properly reassembling food-processing equipment. Performing comprehensive cleaning tasks including sweeping, mopping, dusting, vacuuming, and sanitation of floors, surfaces, restrooms, and common areas. Working safely and efficiently while maintaining high standards of cleanliness and hygiene per USDA food-safety requirements. Reporting potential sanitation, safety, maintenance, or equipment issues to management. What We're Looking For You don't need to know everything on day one! A willingness to learn and follow instructions is important to us. The ideal candidate has: Strong attention to detail, so to show us you've read carefully, include the exact phrase "Green Goat" in your email subject line; applications without it will not be reviewed. Physical stamina and a strong work ethic. A commitment to safety and compliance. Good time-management skills and the ability to work efficiently. Physical Requirements This is an active, hands-on position in a food-processing environment. Candidates must be able to: Manipulate items weighing up to 60 lbs. in various directions for storage and sanitation. Use fine motor skills and manual dexterity; precision is required when handling and maintaining sharp knives. Work safely in varying temperatures, including cold environments. Remain attentive and safety-conscious while working around equipment, machinery, and other team members.
