Job Description:

Tops Markets is accepting applications for current and future part-time openings. A brief description of each department is listed below. Tops has a history of promoting from within and all full-time positions are posted internally first, so a part-time position could lead to a long career with us if you possess the drive, motivation and desire to help our customers. When you complete the application you can list two departments that interest you and/or select any department if you are willing to work anywhere in the store. If we have hiring needs and you are selected for an interview, we will contact you by phone, text or e-mail. Thank you for your interest in employment with Tops Markets.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Front End The front end is the final point of contact with our customers. As a cashier or cart clerk, your most important responsibility is to make a positive, friendly and lasting impression on our customers.

Bakery - You will slice, price, package, and display baked goods and ensure product is stocked, rotated, stored properly.

Pharmacy - If you have a passion or interest in helping to provide health-related services, a pharmacy technician may be the perfect position. You will retrieve medications from shelves, count or pour medications, label containers, properly price prescriptions, enter customer data into the computer, keep accurate records, and complete pharmacy related paperwork, as well as maintain security of controlled substances and ensure ordered are placed and supplies are stocked.

Deli/ Carryout Cafe - You will fulfill customer requests for deli and/or prepared foods products (i.e. ready-made meals, packaged salads, pizzas, subs, etc.), slice deli meats/cheeses to order, prepare product for cases, ensure product is properly stored, rotated, and displayed.

General Merchandise - You will ensure that product on the shelves is stocked and ready for customer purchase. You'll also help create and maintain product displays throughout the store, and ensure the backroom is organized and product is properly stored. The General Merchandise department includes first aid items, non-food items and rotating seasonal products as well!

Grocery - You will ensure that product on the shelves is stocked and ready for customer purchase. You'll also help create and maintain product displays throughout the store, and ensure the backroom is organized and product is properly stored.

Meat - You will ensure our meat departments are stocked and product is properly stored, rotated, weighed, labeled, displayed, fulfill customer requests for product from the meat case and help answer their meat questions. We also feature Real Meat Real Butchers and if you are a certified meat cutter or apprentice, you would ensure that the best cuts of meat are available to our

customers, receive, process, cut, and trim meat products as well as package, tie, wrap, weigh, price and label them to get them ready for our customers to purchase. Produce - You will ensure our produce departments are stocked, product is properly stored, rotated, watered as needed, process, wrap, slice, weigh, package product to ensure its ready for our customers to purchase, and fulfill customer orders for fruit or vegetable platters, baskets, etc. Seafood - You will ensure our seafood departments are stocked and product is properly stored, rotated, weighed, labeled, displayed, fulfill customer requests for product from the seafood case and help answer their seafood questions.
