2. The Board of Legislators has also reviewed a report from the Director of Recreation, Parks and Forestry which Described the Amended Designation of ATV Trails and Interconnecting County Roads for Use by ATV’s – 2016, dated August 19, 2016, which has been submitted to the Board of Legislators identifying the segment of CR 51 that is proposed to be opened to ATV traffic and providing a description of the trail or area that is adjacent to such road and the justification for same as required by Vehicle & Traffic Law § 2405.
3. The Board of Legislators has conducted a review of the potential adverse impacts the opening of the proposed interconnecting County Road, consistent with Article 8 of the Environmental Conservation Law of the State of New York, as amended, and Title 6, Part 617 of the New York Codes, Rules and Regulations (“NYCRR”) implementing Article 8 (collectively referred to hereinafter as “SEQRA”) and after an investigation and analysis conducted by the Director of Soil & Water, has found and determined that adding this portion of CR 51 to the Lewis County Trail ATV System will not result in a significant environmental impact.
